### DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

#### Office of the Assistant Secretary for Community Planning and Development

[Docket No. FR–3853–N–03]

#### Housing Opportunities for Persons With AIDS Program; Announcement of Revised Allocations

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this notice announces revisions that were made to formula-based allocations under the Fiscal Year 1995 Housing Opportunities for Persons with AIDS (HOPWA) program pursuant to a rescission of part

of those funds. This notice provides for a reduction of \$13.5 million of program funds that were previously announced as part of the Department's Consolidated Plan notice. This notice contains the names of the allocation recipients, the original allocation amount, the revised allocation amount and the difference in the two amounts.

**FOR FURTHER INFORMATION CONTACT:** Fred Karnas, Jr., Director, Office of HIV/AIDS Housing, Department of Housing and Urban Development, Room 7154, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 708-1934. The TDD number for the hearing impaired is (202) 708-2565. (These are not toll-free numbers.)

**SUPPLEMENTARY INFORMATION:** The purpose of the HOPWA program is to provide States and localities with the resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of low-income persons living with HIV/AIDS and their families.

The assistance made available for this program is authorized by the AIDS Housing Opportunity Act (42 U.S.C. 12901), as amended by the Housing and Community Development Act of 1992 (Public Law 102-550, approved October 28, 1992) and was appropriated by the HUD Appropriations Act of 1995 (Pub. L. 103-327, approved September 28, 1994), as amended by Pub. L. 104-19, approved July 27, 1995. The original allocation to 66 jurisdictions was announced in a Notice of fiscal year 1995 Consolidated Formula Allocations for Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) Programs published in the Federal Register on January 25, 1995 (60 FR 5010).

At the beginning of Fiscal Year 1995, a total of \$167,400,000 was allocated to 66 jurisdictions based on the original appropriation. The HOPWA program is required to allocate ninety percent of program funds based on a statutory

formula which uses the reported number and incidence of cases of AIDS in a community. The reduction of \$13,500,000 in the FY 1995 formula allocations represents ninety percent of \$15,000,000 which was rescinded from the original appropriation. The other ten percent of program funds is awarded by competition; in fiscal year 1995, \$1,500,000 of competitive funds originally available were rescinded and therefore not awarded under the 1995 HOPWA competition pursuant to a Notice of Funding Availability (NOFA) published in the Federal Register on February 16, 1995 (60 FR 9260). The announcement of awards under that NOFA was published in the Federal Register on October 30, 1995 (60 FR 55277).

Based on the revised appropriation for the program of \$171,000,000, the revised formula provides a total of \$153,900,000 in this notice. The following revised allocations for each of the 66 formula grants are a reduction of approximately 8.1 percent each:
