To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Projects

1. Annual Space Utilization Report (OMB No. 0915-0056)—Extension No Change—The Annual Space Utilization Report form is used to monitor schools which have received construction funds under the Health Professions and Nurse Training Facilities Grant Programs (Titles VII and VIII of the Public Health Service Act). Recipients report annually whether grant-supported space is being utilized according to the terms of the original grant. Average annual burden estimates are as follows:

Type of respondent	No. of respondents	Annual responses per respondent	Avg. burden/re-sponse	Total burden hours
Schools	98	1	1 hour	98

2. Federal Set-Aside Program of the Maternal and Child Health Services Block Grant Program—42 CFR 51a.4 (OMB No. 0915-0050)—Extension, No Change—This request is for extension of approval of language in the regulations which specifies the kinds of information which must be provided in applications for funding under Section 502(a) of the Social Security Act. The burden associated with completing the application is included with the materials that are submitted separately to OMB for approval of the application forms.

Notice of Meeting of the National Advisory Council for Human Genome Research

Pursuant to Public Law 92-463, notice is hereby given of the meeting of the National Advisory Council for Human Genome Research, National Center for Human Genome Research, February 5 and 6, 1996, Embassy Suites Chevy Chase Pavilion, Chevy Chase I and II, 4300 Military Road, NW., Washington, DC.

This meeting will be open to the public on Monday, February 5, from 8:30 a.m. to 11:30 a.m. to discuss

administrative details or other issues relating to committee activities. Attendance by the public will be limited to space available.

In accordance with the provisions set forth in secs. 552b(c)(4) and 552b(c)(6), Title 5, U.S.C. and sec. 10(d) of Public Law 92-463, the meeting will be closed to the public on February 5 at 11:30 a.m. to recess and on February 6 from 8:30 a.m. to adjournment, for the review, discussion and evaluation of individual grant applications. The applications and the discussions could reveal confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Dr. Elke Jordan, Deputy Director, National Center for Human Genome Research, National Institutes of Health, Building 31, Room 4B09, Bethesda, Maryland 20892, (301) 496-0844, will furnish the meeting agenda, rosters of Committee members and consultants, and substantive program information upon request. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should contact Ms. Jane Ades, (301) 594-1929, two weeks in advance of the meeting.

This notice is being published less than fifteen days prior to the meeting due to the partial shutdown of the Federal Government.
