Public Hearing for Draft Environmental Impact Statement on Yuma Training Range Complex

Pursuant to Council on Environmental Quality regulations (40 CFR Parts 1500-1508) implementing procedural provisions of the National Environmental Policy Act, the Marine Corps has prepared and filed with the U.S. Environmental Protection Agency the Draft Environmental Impact Statement (DEIS) for the Yuma Training Range Complex.

Public hearings to inform the public of the DEIS findings and to solicit comments will be held on February 6, 1996, beginning at 6:30 pm, in the Central Union High School multipurpose room, located at 1001 Brighton Avenue, El Centro, California; on February 7, 1996, beginning at 6:30 pm, in the Woodard Junior High School cafeteria, located at 2250 8th Avenue, Yuma, Arizona; and February 15, 1996, beginning at 6:30 pm, in the Armory Senior Center ballroom, located at 220 South 5th Avenue, Tucson, Arizona.

Federal, state, and local agencies and interested parties are invited and urged to be present or represented at the hearings. Oral statements will be heard and transcribed by a stenographer; however, to assure accuracy of the record, all statements should be submitted in writing. All statements, both oral and written, will become part of the public record on this study. Equal weight will be given to both oral and written statements.

In the interest of available time, each speaker will be asked to limit their oral comments to five minutes. If longer statements are to be presented, they should be summarized at the public hearings and submitted in writing either at the hearings or mailed to the address listed at the end of this announcement. All written statements must be postmarked by March 29, 1996, to become part of the official record.

The DEIS has been distributed to various Federal, State, and local agencies, elected officials, and civic associations and groups. In addition, the

DEIS has been placed in the following libraries:

A limited number of single copies are available at the address listed at the end of this notice.

The DEIS addresses proposed training procedures, development, and airspace reconfiguration within the Yuma Training Range Complex, which consists of the Chocolate Mountains Aerial Gunnery Range in southeastern California, the western portion of the Barry M. Goldwater Air Force Range in southwestern Arizona, and associated special use airspaces designated for military use. The proposed improvements are needed to ensure that Marine and other U.S. tactical air forces have the advanced and diversified training resources to ensure their combat readiness.
