In accordance with 30 CFR 256.26,  
the MMS will hold public hearings to  
receive comments and suggestions  
relating to the EIS.

The hearings will be held on the  
following dates and times indicated:

February 20, 1996, University Plaza  
Building, Minerals Management  
Service, 3rd Floor Conference Room,  
949 East 36th Avenue, Anchorage,  
Alaska, 12:00 p.m. (noon)  
February 21, 1996, Yakutat High School,  
Yakutat, Alaska, 7:00 p.m.  
February 22, 1996 Mount Eccles  
Elementary School, Cordova, Alaska,  
7:00 p.m.

The hearings will provide the  
Secretary of the Interior with  
information from Government agencies  
and the public which will help in the  
evaluation of the potential effects of the  
proposed lease sale.

Interested individuals, representatives  
of organizations, and public officials  
wishing to testify at the hearings are  
asked to contact the Regional Director at  
the above address or Paul Lowry by  
telephone (907) 271-6574 or toll free 1-  
800-764-2627 by February 16, 1996.

Time limitations may make it  
necessary to limit the length of oral  
presentations to 10 minutes. An oral  
statement may be supplemented by a  
more complete written statement which  
may be submitted to a hearing official at  
the time of oral presentation or by mail  
until April 25, 1996. This will allow  
those unable to testify at a public  
hearing an opportunity to make their  
views known and for those presenting  
oral testimony to submit supplemental  
information and comments.

Comments concerning the draft EIS  
will be accepted until April 25, 1996,  
and should be addressed to the Regional  
Director, Minerals Management Service,  
Alaska Region, 949 East 36th Avenue,  
Anchorage, Alaska 99508-4302.

Dated: January 18, 1996.  
Thomas Gernhofer,  
*Associate Director for Offshore Minerals  
Management.*

### National Park Service

#### General Management Plan, Tumacacori National Historical Park; Notice of Availability of Supplement to the Draft Environmental Impact Statement

**SUMMARY:** Pursuant to Section 102 (2)  
(C) of the National Environmental  
Policy Act of 1969 (Pub.L. 91-190 as  
amended), the National Park Service,  
Department of the Interior, has prepared  
a Supplement to the Draft  
Environmental Impact Statement  
assessing the potential impacts of a  
proposed General Management Plan for  
Tumacacori National Historical Park,  
Arizona.

The Supplement describes and  
evaluates the impacts of an additional  
alternative for resource preservation and  
visitor use management at the Park. The  
new alternative was developed in  
response to public comments on the  
Draft General Management Plan and  
Environmental Impact Statement which  
was circulated for public review in late  
1993. The alternative described in the

Supplement is the new National Park  
Service proposed action for the Park.

Copies of the Supplement may be  
obtained from the Superintendent,  
Tumacacori National Historical Park,  
P.O. Box 67, Tumacacori, Arizona,  
85640. The telephone number is (520)  
398-2341. Copies are also available for  
inspection at libraries located in the  
Park's vicinity.

Comments and questions regarding  
the Supplement should be directed to  
the Superintendent at the above  
address. All comments must be received  
by the Superintendent no later than  
April 5, 1996 in order to be considered  
in preparation of the final plan.

Dated: January 12, 1996.  
Stanley T. Albright,  
*Field Director, Pacific West Area.*

### DEPARTMENT OF JUSTICE

#### Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act and the Resource Conservation and Recovery Act

In accordance with Departmental  
policy, 28 CFR 50.7, section 122(d)(2) of  
the Comprehensive Environmental  
Response, Compensation, and Liability  
Act ("CERCLA"), 42 U.S.C. 9622(d)(2),  
and section 7003(d) of the Resource  
Conservation and Recovery Act  
("RCRA"), 42 U.S.C. 6973(d), notice is  
hereby given that a proposed partial  
consent decree in *United States and  
Commonwealth of Pennsylvania v.  
Publiker Industries Inc., et al.*, Civil  
Action No. 90-7984, was lodged on  
December 28, 1995, with the United  
States District Court for the Eastern  
District of Pennsylvania. The proposed  
partial consent decree would settle an  
action brought under section 107(a) and  
113(g)(2) of the Comprehensive  
Environmental Response,  
Compensation, and Liability Act, as  
amended ("CERCLA"), 42 U.S.C.  
9607(a), 9613(g)(2), against defendants,  
Publiker Industries Inc. and American  
Cryogas Industries, Inc. (now called  
Sagrocry, Inc.) (collectively, "the  
Settling Defendants"), for recovery of  
response costs and natural resource  
damages in connection with the  
Publiker Industries Superfund Site in  
Philadelphia, Pennsylvania ("the Site").  
The partial consent decree also resolves  
the potential CERCLA liability of federal  
agencies that were involved with the  
Site during World War II, and resolves
