3. Section 52.215-27 is amended by revising the clause to read as follows:

Termination of Defined Benefit Pension Plans (Mar 1996)

The Contractor shall promptly notify the Contracting Officer in writing when it determines that it will terminate a defined benefit pension plan or otherwise recapture such pension fund assets. If pension fund assets revert to the Contractor or are constructively received by it under a termination or otherwise, the Contractor shall make a refund or gift a credit to the Government for its equitable share of the gross amount withdrawn. The Government's equitable share shall reflect the Government's participation in pension costs through those contracts for which cost or pricing data (see 15.804 of the Federal Acquisition Regulation (FAR)) were submitted or which are subject to FAR Part 31. The Contractor shall include the substance of this clause in all subcontracts under this contract which meets the applicability requirements of FAR 15.804-8(e).

4. Section 52.215-39 is amended by revising the clause to read as follows:

52.215-39 Reversion or Adjustment of Plans for Postretirement Benefits Other Than Pensions (PRB).

Reversion or Adjustment of Plans for Postretirement Benefits Other Than Pensions (PRB) (Mar 1996)

The Contractor shall promptly notify the Contracting Officer in writing when it determines that it will terminate or reduce a PRB plan. If PRB fund assets revert, or inure, to the Contractor or are constructively received by it under a plan termination, reduction, or otherwise, the Contractor shall make a refund or gift a credit to the Government for its equitable share of any amount of previously funded PRB costs which revert or inure to the Contractor. Such equitable share shall reflect the Government's previous participation in PRB costs through those contracts for which cost or pricing data (see 15.804 of the Federal Acquisition Regulation (FAR)) were submitted or which are subject to FAR Part 31. The Contractor shall include the substance of this clause in all subcontracts under this contract which meet the applicability requirements of FAR 15.804-8(e).

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

B. Regulatory Flexibility Act
The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because most contracts awarded to small entities are awarded on a competitive, fixed-price basis and certified cost or pricing data and field pricing support are not required.

C. Paperwork Reduction Act
The Paperwork Reduction Act does not apply because the changes to the FAR do not impose recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.
