**SUPPLEMENTARY INFORMATION:**

**I. Background**

On December 15, 1995, the Department of Commerce’s Bureau of Export Administration (BXA) published a notice in the Federal Register (60 FR 64412) announcing its intention to hold public hearings on the environmental and economic affects of lifting the ban on the export of Alaskan North Slope (ANS) crude oil. The notice proposed four hearings. The notice also identified the issues on which the Department is interested in obtaining the public’s views. It also set forth the procedures for public participation in the hearings. On December 28, BXA canceled the hearings because of the shutdown of the Federal Government. The hearings have been rescheduled as described in Section II of this notice.

The hearings are pursuant to legislation that the President signed legislation (Public Law 104–58) authorizing exports of Alaskan North Slope (ANS) crude oil when transported in U.S.-flag tankers. The statute requires the President to consider the results of an “appropriate environmental review” and other issues prior to making his national interest determination. The Department is soliciting public comments as described in the December 15, 1995 Federal Register notice.

**II. Public Hearings and Comment Procedures**

The hearings will be held in Washington, D.C. on February 7, 1996; Seattle, Washington, on February 9, 1996; and Anchorage, Alaska on February 12, 1996. The hearings will commence at 8:30 a.m. and end at 5:30 p.m. Requests to speak must be submitted by February 5, 1996. In the event the Department is not open for normal business during the new hearing dates, the hearings will be rescheduled.

The hearing in Washington, D.C. will be held in room 6009 of the Herbert Hoover Building which is located at 14th Street and Pennsylvania Avenue, N.W., Washington, D.C., 20230. The hearing in Seattle will be held in Building 9 Auditorium, at the NOAA Western Regional Center which is located at 7600 Sand Point Way, NE, Seattle, Washington 98115. The hearing in the auditorium of the Anchorage Museum of History and Art which is located at 121 West 7th Avenue, Anchorage, Alaska.

The Department encourages interested participants to present their views orally at the hearings. Any person wishing to make an oral presentation at the hearings must submit a brief written request to the Department of Commerce at the address indicated in the ADDRESS section of this notice. The written request must be received by BXA no later than February 5, 1996. The written requests to participate in the public hearings should describe the individual’s interest in the hearing and, where appropriate, explain why the individual is a proper representative of a group or class of person that has such an interest. In addition, the request to speak should contain a daytime phone number where the person who will be making the oral presentation may be contacted before the hearing. On the day of the hearing, speakers should bring 2 copies of the summary of their oral presentation to the hearing address indicated in the DATES section of this notice.
