SUPPLEMENTARY INFORMATION:

Background

On August 31, 1995, the Department received a request for an administrative review of this countervailing duty order from AHMSA, a Mexican exporter of the subject merchandise, for the period January 1, 1994, through December 31, 1994. No other interested party requested a review of the countervailing duty order. On September 15, 1995, the Department published in the Federal Register (60 FR 47930) a notice of “Initiation of Countervailing Duty Administrative Review” initiating the administrative review of AHMSA for that period. On December 4, 1995, AHMSA withdrew its request for review.

Section 355.22(a)(3) of the Department’s regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. In this case, AHMSA has withdrawn its request for review within the 90-day period. No other interested party requested a review, and we have received no submissions regarding AHMSA’s withdrawal of its request for review. Therefore, we are terminating the review of the countervailing duty order on certain cut-to-length carbon steel plate from Mexico.

This notice is published in accordance with 19 CFR 355.22(a)(3).
