Notice of Proposed Administrative Settlement Pursuant to Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act Regarding the Kin-Buc Landfill Superfund Site

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed administrative settlement and opportunity for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9622(i), the United States Environmental Protection Agency ("EPA"), Region II announces an

administrative settlement pursuant to Section 122(h)(1) of CERCLA, 42 U.S.C. 9622(h)(1) regarding the Kin-Buc Landfill Superfund Site (the "Kin-Buc Site").

The Kin-Buc Site is located in Edison Township, Middlesex County, New Jersey and is listed on the National Priorities List established under Section 105 of CERCLA. This notice is being published pursuant to Section 122(i) of CERCLA to inform the public of the proposed settlement and of the opportunity to comment. EPA will consider any comments received during the comment period and may withdraw or withhold consent to the proposed settlement if comments disclose facts or considerations which indicate that the proposed settlement is inappropriate, improper or inadequate.

The administrative settlement would resolve the claims of the United States against I.S.A. In New Jersey, Inc. ("ISA") and Round Lake Sanitation Corporation ("Round Lake") with respect to their potential liability for past costs incurred by EPA pursuant to CERCLA in responding to the release and threatened release of hazardous substances at the Kin-Buc Site. The settlement is memorialized in an Administrative Cost-Recovery Agreement ("Agreement"). Under the Agreement, ISA and Round Lake are obligated to pay \$5,000 to the Hazardous Substances Superfund. The payment is to be made from an escrow account established for ISA and Round Lake as stated below. The settlement is based on the ability to pay of ISA and Round Lake in that these corporations are defunct and have no assets other than the monies in escrow.

In 1991, ISA, Round Lake, and other entities and individuals were indicted by a grand jury empaneled in the United States District Court for the Southern District of New York on numerous federal felony charges. According to a subsequent plea agreement, the assets of ISA and Round Lake, and other entities, were required to be sold to unrelated third parties. In 1994, the United States entered into an Agreement and Covenant Not To Sue under CERCLA with Browning-Ferris Industries of New York, Inc.; Browning-Ferris Industries of Paterson, N.J., Inc.; and Browning-Ferris Industries of South Jersey, Inc. (collectively "BFI") regarding BFI's prospective purchase of the assets of ISA, Round Lake, and the other entities. BFI paid \$250,000 to the United States for an Agreement and Covenant Not To Sue, of which \$1,250 was allocated to the Kin-Buc Site, and the balance of which was allocated to three other Superfund sites: The Warwick Landfill
