

(D.C. Cir. 1965) determined that substantial and material questions of fact exist regarding the basic qualifications of Rainbow Broadcasting Company, the permittee for Station WRBW (TV), Orlando, Florida, to be a Commission licensee and thus ordered the Commission to conduct further proceedings to resolve those questions. Specifically, the court held that the Commission must resolve whether Rainbow made misrepresentations regarding its *ex parte* contacts, its financial qualifications, and its failure to construct. The court also directed the Commission to address whether Rainbow Broadcasting Company had made the requisite showing that would have justified the Commission's grant of its final application for an extension of time to construct its facilities. Accordingly, in order to resolve all of these issues, the Commission is designating the matter for hearing. The Commission further is taking the opportunity to clarify its policies regarding grants of extension applications.

3. *It is further ordered*, That Press is made party to the hearing ordered herein, and that, a separate trial staff shall be designated by the Office of General Counsel to represent the Commission, in light of the Mass Media Bureau's recusal from this proceeding.

4. *It is further ordered*, That, the Administrative Law Judge shall render a determination on each designated issue.

5. *It is further ordered*, That, to avail themselves of the opportunity to be heard, the parties respondent herein, pursuant to Section 1.221 of the Commission's Rules, in person or by attorney, shall file with the Commission, within twenty (20) days of the mailing of this Order, a written appearance in triplicate, stating an intention to appear on the date filed for the hearing and present evidence on the issues specified in this Order.

6. *It is further ordered*, That Rainbow shall, pursuant to Section 311(a)(2) of the Communications Act of 1934, as amended, and Section 73.3594 of the Commission's Rules, give notice of the hearing within the time and in the manner prescribed in that rule, and shall advise the Commission of the publication of such notice as required by Section 73.3594(g) of the Rules.
