**FOR FURTHER INFORMATION CONTACT:**

Mr. Peter O'Such, Office of Federal Acquisition Policy, GSA (202) 501-1759.

**SUPPLEMENTARY INFORMATION:****A. Purpose**

Offers submitted in response to Government solicitations must be evaluated and awards made on the basis of the lowest laid down cost to the Government at the overseas port of discharge, via methods and ports compatible with required delivery dates and conditions affecting transportation known at the time of evaluation. Offers are evaluated on the basis of shipment through the port resulting in the lowest cost to the Government. This provision collects information regarding the vendor's preference for delivery ports. The information is used to evaluate offers and award a contract based on the lowest cost of the Government.

**B. Annual Reporting Burden**

Public reporting burden for this collection of information is estimated to average 30 minutes for the first completion, 10 minutes for subsequent completions, or an average of 15 minutes per completion, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 100; responses per respondent, 4; total annual responses, 400; preparation hours per response, .25; and total responses burden hours, 100.

Dated: January 24, 1996.

**SUPPLEMENTARY INFORMATION:****A. Purpose**

FAR Part 47 and related clauses contain policies and procedures for applying transportation and traffic management considerations in the acquisition of supplies and acquiring transportation or transportation-related services. Generally, contracts involving transportation require information regarding the nature of the supplies, method of shipment, place and time of shipment, applicable charges, marking of shipments, shipping documents and other related items. This information is required to ensure proper and timely shipment of Government supplies.
