[Docket No. CP96-150-000]

### Chevron U.S.A. Inc.; Notice of Petition for Declaratory Order

January 29, 1996.

Take notice that on January 5, 1996, Chevron U.S.A. Inc. (Chevron), Post Office Box 3725, Houston, Texas 77253-

3725, filed in Docket No. CP96-150-000 a petition pursuant to Section 1(b) of the Natural Gas Act (NGA) for a declaratory order exempting facilities to be acquired from Transwestern Pipeline Company (Transwestern) from Commission regulation under the NGA, all as more fully set forth in the petition on file with the Commission and open to public inspection.

Chevron proposes to purchase from Transwestern 48.3 miles of 20-inch pipeline lateral and 3.4 miles of 6-inch pipeline lateral, both located in Pecos County, Texas, for use in Chevron's gathering operations. It is stated that Transwestern filed a request to abandon the facilities by sale to Chevron in Docket No. CP96-119-000. It is asserted that although the facilities are presently certificated as transmission facilities, their primary function, on acquisition by Chevron, would be gathering. It is further asserted that the facilities and their proposed use by Chevron meet the Commission's criteria to support a finding of non-jurisdictional gathering function. It is explained that the facilities will be operated by Warren Petroleum Company, a division of Chevron, which is a producer of natural gas and oil, and not subject to Commission regulation. Chevron requests that the facilities be refunctionalized on acquisition from Transwestern.

Any person desiring to be heard or to make any protest with reference to said application should on or before February 20, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the commission's Rules.

Lois D. Cashell,

*Secretary.*
