On November 16, 1995, the three agencies jointly published a notice in the Federal Register (60 FR 57618) describing in detail and inviting comment on the proposed changes to this collection of information. All comments received by the agencies in response to that notice, including a change to the proposed revisions that the agencies made in response to those comments, were addressed in supporting statements that were developed to justify the proposed changes. This notice provides the public with the opportunity to obtain, review, and comment on, the Board's supporting statement.

Any request for a hearing on this question must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Comments regarding the application must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than February 21, 1996.
