Science Advisory Board, Research Strategies Advisory Committee; Notification of Public Advisory Committee Meeting

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Research Strategies Advisory Committee (RSAC) of the Science Advisory Board (SAB) will hold a public teleconference on February 23, 1996 from 11:00 am to 1:00 pm Eastern Time. Documents that are the subject of SAB reviews are normally available from the originating EPA office and are *not* available from the SAB Office.

During this teleconference, the RSAC will discuss the Agency's draft Strategic Plan for the Office of Research and Development. Issues to be discussed include: (a) Strengths of the Plan—What aspects or elements of the Plan does RSAC find to be particularly useful, important, and/or worthy of Agency attention and support?; (b) Strategic Message—The Plan lays out a set of Strategic Principles, a Mission Statement, a set of Goals and Objectives, and a Management Process designed to establish priorities and translate priorities into effective programs. Are these appropriate for ORD as they are defined in the Plan?; (c) Clarity—Is the Strategy, especially the process for setting priorities, clear?; (d) Criteria for

Priorities—Are the criteria identified for setting priorities appropriate and useable? Would RSAC like to help refine them now or in the future?; (e) Utility of the Plan—Does the Plan offer a potentially useful roadmap for decision making and policy framework for managing ORD's research and development programs?

Single copies of the Agency's draft Strategic Plan are available from Ms. Lori Shuda, U.S. Environmental Protection Agency, Office of Research and Development (ORD), (Mail Code 8101), 401 M Street SW., Washington, DC 20460. Tel. (202) 260-4708. Any member of the public desiring to participate in the teleconference, desiring additional information about the meeting, or desiring to obtain copies of the agenda and other information about the conduct of the meeting, or to request time on the agenda for public comments, please contact Mr. A. Robert Flaak, Designated Federal Official, Science Advisory Board (1400F), US EPA, 401 M Street SW., Washington DC 20460, by telephone at (202) 260-5133 or FAX at (202) 260-7118, or via the INTERNET at: Flaak.Robert@EPAMAIL.EPA.GOV.

Providing Oral or Written Comments at SAB Meetings

The Science Advisory Board expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. In general, for teleconference call meetings, opportunities for oral comment will be limited to no more than three minutes per speaker and no more than fifteen minutes total. Written comments (at least 25 copies) received in the SAB Staff Office sufficiently prior to a meeting date (usually one week prior to a meeting or teleconference), may be mailed to the relevant SAB committee or subcommittee prior to its meeting; comments received too close to the meeting date will normally be provided to the committee at its meeting. Written comments may be provided to the relevant committee or subcommittee up until the time of the meeting.

Dated: February 1, 1996.
Donald G. Barnes,
Staff Director, Science Advisory Board.
