[Notice 1996-5]

#### Public Financing of Presidential Primary and General Election Campaigns

**AGENCY:** Federal Election Commission.

**ACTION:** Final rule; correcting amendments; announcement of effective date.

**SUMMARY:** On November 16, 1995, the Commission published final rules correcting promulgation errors made in final rules published June 16, 1995 (60 FR 31854) regarding public financing of presidential primary and general election candidates. The Commission announces that these rules are effective as of February 9, 1996.

**EFFECTIVE DATE:** February 9, 1996.

**FOR FURTHER INFORMATION CONTACT:** Ms. Susan E. Propper, Assistant General Counsel, or Ms. Rita Reimer, Attorney, 999 E Street, N.W., Washington, D.C. 20463, (202) 219-3690 or toll free (800) 424-9530.

**SUPPLEMENTARY INFORMATION:** On June 16, 1995, the Commission published final rules revising its regulations governing public financing of presidential primary and general election candidates. 60 FR 31854. These rules became effective on August 16, 1995. 60 FR 42429.

On November 16, 1995, the Commission published corrections to these final rules to restore language inserted in 1991 that had inadvertently been dropped from the rules. 60 FR 57538. The June 16 document deleted language in 11 CFR 9034.4(a)(3)(ii) relating to candidates who continue to campaign after their dates of ineligibility. It also deleted language in 11 CFR 9038.2(b)(2)(iii) that shortened the time period during which an

ineligible candidate's non-qualified campaign expenses would generate a repayment obligation, thereby reducing the amount of the candidate's repayment. The correcting amendments restored the deleted language.

Section 9039(c) of Title 26, United States Code, requires that any rules or regulations prescribed by the Commission to implement Chapter 96 of Title 26 of the United States Code, the Presidential Primary Matching Payment Account Act, be transmitted to the Speaker of the House of Representatives and the President of the Senate thirty legislative days prior to final promulgation. The revisions to 11 CFR 9034.4(a)(3)(ii) and 9038.2(b)(2)(iii) were transmitted to Congress on November 9, 1995. Thirty legislative days expired in the Senate and the House of Representatives on January 5, 1996.
