Equitable Resources Energy Company Buckhannon, WV; Various Locations in the State of Pennsylvania

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on December 1, 1995, applicable to all workers at Equitable Resources Energy Company located in Buckhannon, West Virginia. The notice will soon be published in the Federal Register.

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations have occurred at the subject firm operations at various locations in the State of Pennsylvania. The workers are engaged in employment related to the production of natural gas. Accordingly, the Department is amending the certification to include the workers of the subject firm in Pennsylvania.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports from Mexico and Canada.

The amended notice applicable to NAFTA-00662 is hereby issued as follows:

"All workers of Equitable Resources Energy Company, Buckhannon, West Virginia (NAFTA-00662) and various locations in the State of Pennsylvania (NAFTA-00662A) who became totally or partially separated from employment on or after October 19, 1994 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."

Signed at Washington, D.C. this 22nd day of January 1996.
