

interested parties, to all future scoping meetings. Please be advised that these future meetings will be announced through the local media.

ADDRESSES: Inquiries on future meeting dates should be submitted to the Superintendent, Fire Island National Seashore, 120 Laurel Street, Patchogue, NY 11772, telephone (516) 289-4810.

SUPPLEMENTARY INFORMATION: As at many locations in the Northeast, increasing populations of white-tailed deer are causing concern about impacts to the natural resource values of the Seashore as well as the various kinds of impacts within the communities that are integral with Seashore property. To devise the safest, most practical, and least disruptive plans, the Seashore is seeking the input of all parties affected by the issue, such as the residents of Fire Island and Mastic Beach communities and managers of public lands also bordering the Seashore. For example, both the Robert Moses State Park and the Smith Point County Park (both located on Fire Island) have been asked to participate in the planning process.

The focus of each of the public scoping meetings will be to discuss NPS and other local issues pertaining to deer in each of the three management areas; to begin to define the problems, and to set management planning objectives. When the issues and objectives have been delineated, the next step is development of management alternatives for resolving the issues and meeting objectives.

The NEPA EIS document will describe each management alternative (as developed through the scoping meetings), state the Seashore's preferred alternative and analyze the impacts of each alternative. This document, as a Draft EIS, will be made available for public review by subsequent notice in the Federal Register, and through the local media.

Members of the National Seashore's staff will participate in all the scoping meetings to answer questions specific to white-tailed deer, park operational issues related to deer, park management objectives, alternative development or any other aspect of the deer management planning process.

For further information, please contact the superintendent at 516-289-4810 or by writing to: Superintendent, Fire Island National Seashore, 120 Laurel Street, Patchogue, New York 11772.

Jack Hauptman,
Superintendent.
