An acquisition, with respect to land, is a taking, under the power of eminent domain by a Federal, State, or other agency of: title to land, an impoundment easement on land, or a flowage easement on land. An owner is considered displaced from a farm acquired under the eminent domain power exercised by the Federal, State, or local agency.

The eminent domain pool is a reverse of allotments, quotas, bases, and irrigated acreage maximum (IAM's) for the base years, held for displaced owners for transfer to other farms they own or purchase. The information is manually recorded on ASCS-177 (Record of Pooled Farm Allotment, Quota or CAB and IAM) and ASCS-178 (Application for Transfer of Allotment, Quota or CAB and IAM from Pool), by county office employees from county office records and from information obtained from the displaced owner. ## Food and Consumer Service

### Information Collection Requirements Submitted for Public Comment and Recommendations: Form FCS-143, Claim for Reimbursement (Summer Food Service Program)

AGENCY: Food and Consumer Service, USDA.

**ACTION:** Notice and request for comments.

**SUMMARY:** In compliance with the requirements of the Paperwork Reduction Act of 1995, the Food and Consumer Service (FCS), is publishing for public comment a summary of a proposed information collection.

**DATES:** Comments on this notice must be received by April 12, 1996 to be assured of consideration.

**ADDRESSES:** Send comments to: Frank Duesing, Accounting Division, Financial Management, Food and Consumer Service, USDA, 3101 Park Center Drive, Room 415, Alexandria, Virginia 22302.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

**FOR FURTHER INFORMATION CONTACT:** Frank Duesing, (703) 305-2870.

**SUPPLEMENTARY INFORMATION:**

*Title:* Form FCS-143, Claim for Reimbursement (Summer Food Service Program).

*OMB Number:* 0584-0041.

*Expiration Date of Approval:* May 31, 1996.

*Type of Request:* Reinstatement, without change, of a previously approved information collection for which approval has expired.

*Abstract:* The Summer Food Service Program Claim for Reimbursement Form is used to collect meal and cost data from sponsors in order to determine the reimbursement entitlement for meals served. The form is sent to the Food and Consumer Service's Regional Offices where it is entered into a computerized payment system. The payment system computes earnings to date and the number of meals served to date and generates payments for the amount of earnings in excess of prior advance and claim payments. If the information was not provided on the claim form, the sponsor would not have a vehicle for receiving reimbursement. Earned reimbursement in the Summer Food Service Program is based on performance, i.e., meals served. Recipients are reimbursed the lesser of meals served times rates or actual costs. To fulfill the earned reimbursement requirements set forth in the Summer Food Service Program Regulations issued by the Secretary of Agriculture (7 CFR 225.9), the meal and cost data must be collected on the FCS-143 claim form. In addition, this form is an intrinsic part of the accounting system being used currently to ensure reimbursement as well as to facilitate adequate record keeping.

This request is being made to extend the current information collection for an

additional three years. Current methods are the only practical means of collecting this information considering the resources of form users.

The information collected is used by FCS to manage, plan, evaluate, and account for Government resources. The reports and records are required to ensure the proper and judicious use of public funds.

*Estimate of Burden:* Public reporting burden for this collection of information is estimated to average .5 hours per response.

*Respondents:* The respondents are Summer Food Program sponsors.

*Estimated Number of Respondents:* 731.

*Estimated Number of Responses per Respondent:* 3.

*Estimated Total Annual Burden on Respondents:* 1,100 hours.

Copies of this information collection can be obtained from Cato Watson, Agency Information Collection Coordinator, Food and Consumer Service, U.S. Department of Agriculture, 3101 Park Center Drive, Alexandria, Virginia 22302.

Dated: January 26, 1996.

**Food Distribution Program: Substitution of Donated Chicken with Commercial Chicken**

**AGENCY:** Food and Consumer Service, USDA.

**ACTION:** Notice.

**SUMMARY:** This notice announces the Food and Consumer Service's (FCS) intent to conduct a demonstration project to study the effects of allowing the substitution of donated chicken with commercial chicken in the State processing of donated chicken supplied by the Department of Agriculture (the Department). Under the demonstration project, FCS is invoking, in a final rule published elsewhere in this issue of the Federal Register, its authority under 7 CFR 250.30(t) to waive the current prohibition in 7 CFR 250.30(f)(1)(i) of the substitution of poultry and will establish the criteria under which substitution will be permitted. Only bulk pack chicken and chicken parts will be eligible for substitution. The Department will use the demonstration project results to examine whether permitting this type of substitution will result in increased processor participation and provide a greater variety of processed chicken end

products to recipient agencies in a more timely manner at lower costs.

**DATES:** The proposals described in this Notice may be submitted to FCS through June 30, 1997.

**ADDRESSES:** Proposals should be sent to Ellen Henigan, Chief, Schools/Institutions Branch, Food Distribution Division, Food and Consumer Service, U.S. Department of Agriculture, Park Office Center, Room 501, 3101 Park Center Drive, Alexandria, Virginia 22302-1594.
