

SUMMARY: This is a notice of the Presidential declaration of a major disaster for the State of Connecticut (FEMA-1092-DR), dated January 24, 1996, and related determinations.

EFFECTIVE DATE: January 24, 1996.

FOR FURTHER INFORMATION CONTACT: Pauline C. Campbell, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3606.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated January 24, 1996, the President declared a major disaster under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), as follows:

I have determined that the damage in certain areas of the State of Connecticut resulting from "the Blizzard of 1996" which occurred on January 7-13, 1996, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act ("the Stafford Act"). I, therefore, declare that such a major disaster exists in the State of Connecticut.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide reimbursement for the costs of equipment, contracts, and personnel overtime that were required to clear one lane in each direction along snow emergency routes (or select primary roads in those communities without such designated roadways), and routes necessary to allow the passage of emergency vehicles to hospitals, nursing homes, and other critical facilities. Other assistance may be added at a later date, if warranted. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance will be limited to 75 percent of the total eligible costs.

The time period prescribed for the implementation of section 310(a), Priority to Certain Applications for Public Facility and Public Housing Assistance, 42 U.S.C. 5153, shall be for a period not to exceed six months after the date of this declaration.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Sharon L. Stoffel of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared disaster.

FEMA will provide reimbursement for the costs of equipment, contracts, and personnel overtime that are required to clear one lane in each direction along snow emergency routes (or select primary roads in those communities without such designated roadways), and

routes necessary to allow the passage of emergency vehicles to hospitals, nursing homes, and other critical facilities. County designations will be made at a later date.
