DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

42 CFR Parts 57 and 58

RIN: 0906-AA38

Grants for Construction of Teaching Facilities, Educational Improvements, Scholarships, and Student Loans and Grants for Training of Public Health and Allied Health Personnel

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Final regulation.

SUMMARY: This final rule revises existing regulations which govern various Public Health Service (PHS) health professions, nursing, and allied health training grant, scholarship, traineeship, and loan programs. The affected regulations are amended primarily by the Health Professions Extension Amendments of 1992 which: Renumbered the various PHS Act section numbers and their corresponding United States Code numbers; repealed the authority for the National Advisory Council on Health Professions Education; and repealed and eliminated various title VII and VIII health professions, nursing, and allied health training grant and traineeship programs. Some of the currently codified regulations no longer reflect the current provisions of the statute and are not modifiable as such and, therefore, are also being removed from the Code of Federal Regulations (CFR). The definition of "State" is being revised in each of the program regulations in accordance with the 1994 Compact of Free Association with [the Republic of] Palau. Other changes for consistency are made to the regulations and are technical or clarifying in nature.

EFFECTIVE DATE: These regulations are effective February 16, 1996.

FOR FURTHER INFORMATION CONTACT: Betty B. Hambleton, Chief, Planning, Evaluation, and Legislation Branch, Office of Research and Planning, Bureau of Health Professions, Health Resources and Services Administration, room 8-67, Parklawn Building, 5600 Fishers

Lane, Rockville, Maryland 20857; telephone: (301) 443-1590.

SUPPLEMENTARY INFORMATION: This final rule amends various Public Health Service (PHS) health professions, nursing, and allied health training grant, traineeship, scholarship, and student loan program regulations under title 42, parts 57 and 58 to bring these programs into conformity with statutory amendments made to the various sections of the PHS Act under titles VII and VIII. The following ministerial and technical changes are being made to the various titles VII and VIII programs:

(1) The Health Professions Extension Amendments of 1992, Pub. L. 102-408, reorganized and renumbered the sections in the Public Health Service (PHS) Act and their corresponding United States Code numbers. Technical changes affecting the various programs under titles VII and VIII are being made to revise the PHS section numbers in the regulations (see part 57, subparts C, H, I, L, Q, S, V, CC, DD, EE, FF; part 58, subparts C, and D);

(2) The reference to former sections 799A and 845 of the PHS Act (referenced in each of our regulatory sections entitled, "*What additional Department regulations apply to grantees?*") codified under 45 CFR part 83 is being revised to read "section 794" and "section 855" of the PHS Act. The footnote to the citation "45 CFR part 83" is being deleted (see part 57, subparts C, D, F, H, L, Q, R, S, V, Y, Z, CC, DD, EE, FF, OO, and PP; and part 58, subparts C and D). Former section 799A, 42 U.S.C. 295h-9, "Discrimination on Basis of Sex Prohibited" was redesignated as section 704 by Pub. L. 94-484 and was renumbered as section 794 (42 U.S.C. 295m) by Pub. L. 102-408. Former section 845 was redesignated as section 855 (42 U.S.C. 298b-2), "Prohibition Against Discrimination by Schools on the Basis of Sex" by Pub. L. 94-63;

(3) Pub. L. 102-408 amended title VII programs by repealing the National Advisory Council on Health Professions Education effective October 1, 1992. Therefore, in accordance with the repealing of this National Advisory Council, as it affects the evaluation and recommendation process of awarding grant applications, the Department is removing the definition of "Council" and the reference to the National Advisory Council on Health Professions Education in the various programs to reflect current statutory language under section 798(a)(2)(A) of the PHS Act (see part 57, subparts H, L, Q, S, V, EE, and FF);

(4) Section 212 of Pub. L. 102-408 amended section 851 of the PHS Act by

revising the title of the National Advisory Council on Nurse Training to read "National Advisory Council on Nurse Education and Practice". Therefore, the Department is revising the reference to the Advisory Council's name in the following nursing programs: part 57, subparts Y and Z;

(5) Pub. L. 101-219, the 1994 Compact of Free Association with [the Republic of] Palau, ended the United States' responsibility for Palau under the Trusteeship Agreement (the Trust Territories of the Pacific Islands). The reference to the "Trust Territories of the Pacific Islands" in the definition of "State" is removed (see part 57, subparts C, D, F, H, L, Q, R, S, V, Y, Z, CC, DD, EE, FF, OO, and PP; and part 58, subparts C, and D); the reference to "Trust Territories of the Pacific Islands (TTPI)" in the program regulations (regarding eligibility in relation to a resident, citizen, or national of the United States) is removed (see part 57, subparts C, D, F, S, CC, and DD; part 58, subpart D). The reference to Palau is now stated as "the Republic of Palau".

(6) The reference to former section 705 of the PHS Act (now renumbered as section 798(e)) concerning audit and inspection requirements is being removed. The reference to section 705 is redundant to the requirements that are already covered under 45 CFR part 74—Administration of Grants, which is referenced in each training grant regulatory section entitled, "*What other audit and inspection requirements apply to grantees?*" (see part 57, subparts H, L, Q, S, V, CC, DD, EE, FF, and OO; and part 58, subparts C & D);

(7) Additionally, the parenthetical phrase citing the OMB approval number "0915-0060" regarding information collection requirements at the end of each regulatory section entitled, "*What other audit and inspection requirements apply to grantees?*", is no longer necessary and is also being removed (see part 57, subparts H, L, Q, S, V, EE, and FF, and OO);

(8) The preamble also includes discussions on those subparts under parts 57 and 58 that are no longer viable programs (see part 57, subparts T, AA, HH, and NN; and part 58, subparts A, B, E, and F). Some of these regulations no longer reflect the current provisions of the statute and are not modifiable as such, or their legislative authorities have expired or were eliminated or repealed by Pub. L. 102-408. Therefore, the above subparts are being removed and placed in reserve status in the CFR.

Additional revisions to the following programs, implemented by the Health Resources and Services Administration, Bureau of Health Professions, codified

at 42 CFR parts 57 and 58, are discussed below according to the subparts, section numbers, and headings affected.

Subpart C—Health Professions Student Loans

This final rule amends Part 57, subpart C governing the Health Professions Student Loan program under sections 721–735 of the PHS Act to:

1. Revise § 57.202, entitled “Definitions.”, by revising the definitions of “Health professions school or school” and “State” to reflect current Department policy language for consistency in title 42, part 57 and part 58 definitions.

2. Revise § 57.205, entitled “Health professions student loan funds.”, by adding a parenthetical phrase at the end of the section citing the current OMB control number.

3. Revise § 57.206, entitled “Eligibility and selection of health professions student loan applicants.”, by removing paragraph (a)(2) regarding the repayment of loans by service obligation in a health professions shortage area. (The provisions in former section 741(f) were eliminated by Pub. L. 102–408.) Paragraph (a)(3) is redesignated as (a)(2).

4. Revise § 57.210, entitled “Repayment and collection of health professions student loans”, by revising the parenthetical phrase at the end of the section providing the current OMB control number; and by removing the phrase “or cancellation or repayment under section 741(f) of the Act” in paragraph (b)(2)(i), in accordance with Pub. L. 102–408 which eliminated the HPSL loan repayment by service obligation authority.

5. Remove and reserve in the CFR § 57.212, entitled “Repayment or cancellation of loans for practice in a health professional shortage area.”, in accordance with Pub. L. 102–408 which eliminated the HPSL loan repayment by service obligation authority. Succeeding section numbers under this subpart (§§ 57.213–57.218) will *not* be redesignated but remain the same.

Subpart S—Educational Assistance to Individuals From Disadvantaged Backgrounds

This final rule amends Part 57, subpart S governing the Educational Assistance to Individuals from Disadvantaged Backgrounds program under section 740 of the PHS Act to revise paragraph (b) in § 57.1804, entitled “Who is eligible for educational assistance?”. Paragraph (b) indicates a requirement for eligibility that individuals must “have completed at least the junior year of high school (or

its equivalent)”. The Department is adding the words “except in the case of Model Demonstration programs” at the end of the sentence to provide flexibility for the Department to administer a limited number of awards to test the feasibility or viability of a Model Demonstration program permitting students prior to the junior year to receive assistance under these programs.

Subpart T—Nursing Special Project Grants

Section 820 of the PHS Act, 42 U.S.C. 296k, as it was in effect for Nursing Special Project Grants, was amended by Pub. L. 102–408, the Health Professions Extension Amendments of 1992, to substitute for the existing authority a new four-part authority and revised former project purposes, eligibility provisions, and other requirements. The Department is, therefore, removing from title 42, part 57 of the *Code of Federal Regulations* this program under subpart T, consisting of §§ 57.1901 through 57.1910, and placing it in reserve status.

Subpart Z—Grants for the Advanced Nurse Education Programs

This final rule amends Part 57, subpart Z governing the Grants for Advanced Nurse Education Programs under section 821 of the PHS Act to:

1. Revise § 57.2501, entitled “Applicability.”, by revising the phrase “expand” in (b) to read “significantly expand existing programs” and removing the phrase “maintain programs” in (c) in accordance with the amendments in Pub. L. 102–408. This section is further revised to remove two types of nurse specialties that can obtain support under this authority in accordance with Pub. L. 102–408. The two types of specialties that are being removed are nurse administrators and nurse researchers.

2. Revise § 57.2503, entitled “Eligibility.”, by revising paragraph (b)(2) to indicate that a grant would meet the cost for a project to “significantly” expand an advanced nurse education program through the indicated activities listed. Paragraph (b)(3), that indicates that a grant would meet the cost for a project to “maintain” an advanced nurse education program, is being removed in accordance with Pub. L. 102–408.

3. Revise § 57.2504, entitled “Application.”, by revising paragraph (c)(1) to state the current statutory language for grants to contain a proposal for a project to: (i) Plan, develop, and operate new programs, or (ii) significantly expand an advanced nurse education program. Former paragraph (c)(1)(iii) is removed and paragraph (d)

is revised to reflect the current statutory language.

4. Revise § 57.2506, entitled “Evaluation and grant awards.”, by removing the reference to the funding priority for educational programs in geriatric and gerontological nursing. Pub. L. 102–408 repealed the funding priority.

Subpart AA—Grants for Nurse Practitioner and Nurse Midwifery Traineeship Programs

Section 822(b) of the PHS Act, 42 U.S.C. 296m, as it was in effect for Grants for Nurse Practitioner and Nurse Midwifery Traineeship Programs for service-conditional nurse practitioner and nurse midwifery traineeships was eliminated by section 204 of Public Law 102–408, the Health Professions Extension Amendments of 1992 (106 Stat. 2072). The Department is, therefore, removing from title 42, part 57 of the Code of Federal Regulations this program under subpart AA, consisting of §§ 57.2601 through 57.2617, and placing it in reserve status.

Subpart DD—Financial Assistance for Disadvantaged Health Professions Students

This final rule amends Part 57, subpart DD governing the program for Financial Assistance for Disadvantaged Health Professions Students under section 740 of the PHS Act to:

1. Revise § 57.2904, entitled “Eligibility and selection of aid recipients.”, by revising the parenthetical phrase at the end of the section providing the current OMB control number.

2. Revise § 57.2909, entitled “What other records, audit, and inspection requirements apply to schools?”, by revising the parenthetical phrase at the end of the section providing the current OMB control number.

Subpart HH—Programs for the Training of Expanded Function Dental Auxiliaries

Section 2740(c)(1) of Pub. L. 97–35, the Omnibus Budget Reconciliation Act of 1981, 95 Stat. 922, amended section 783(a) of the PHS Act to authorize provisions only for physician assistant training. Concurrently, section 2744 of Pub. L. 97–35 (95 Stat. 924) restructured the provisions in section 783(a)(2) for Grants for Programs for the Training of Expanded Functional Dental Auxiliaries and the provisions were subsumed under the authority of redesignated section 788(b), as it was in effect for Conversion and Curriculum Grants for Various Health Professions, 42 U.S.C. 295g–8. Subsequently, the provisions

under section 788(b) were amended by Pub. L. 99-129, the Health Professions Training Assistance Act of 1985, to provide for more broad provisions in health promotion and disease prevention, various curriculum development training, and health professions initiatives.

Pub. L. 102-408, the Health Professions Education Extension Amendments of 1992, repealed several existing definitions under former section 701 of the PHS Act (now renumbered as section 799), including the definition for "program for the training of expanded function dental auxiliaries", as being no longer needed for administration of title VII programs. The Department is, therefore, removing from title 42, part 57 of the Code of Federal Regulations this program under subpart HH, consisting of §§ 57.3301 through 57.3303, and placing it in reserve status.

Subpart NN—Various Health Professions Projects (Model Education)

Pub. L. 102-408 repealed section 788(b) of the PHS Act, the authority as it was in effect for grants or contracts for the development and implementation of model projects in areas such as faculty and curriculum development, and development of new clinical training sites. The Department is, therefore, removing from title 42, part 57 of the Code of Federal Regulations this program under subpart NN, consisting of §§ 57.3901 through 57.3910, and placing it in reserve status.

Part 58—Grants for Training of Public Health and Allied Health Personnel

Subpart A—Grants to Graduate Programs in Health Administration

Section 791 of the PHS Act, 42 U.S.C. 295h, as it was in effect for Grants to Graduate Programs in Health Administration for institutional grants to graduate programs in health administration was repealed by Pub. L. 102-408, the Health Professions Extension Amendments of 1992. The Department is, therefore, removing from title 42, part 58 of the Code of Federal Regulations this program under subpart A, consisting of §§ 58.1 through 58.11, and placing it in reserve status.

Subpart B—Special Project Grants for Graduate Programs in Public Health

Section 788(b) of the PHS Act, 42 U.S.C. 295g-8, as it was in effect for Special Project Grants for Graduate Programs in Public Health was repealed by section 2744 of Public Law 97-35, the Omnibus Budget Reconciliation Act of 1981 (95 Stat. 923). The Department

is, therefore, removing from title 42, part 58 of the Code of Federal Regulations this program under subpart B, consisting of §§ 58.20 through 58.29, and placing it in reserve status.

Subpart C—Grants for Public Health Traineeships for Students in Schools of Public Health and in Other Graduate Public Health Programs

This final rule amends Part 58, subpart C governing the Grants for Public Health Traineeships for Students in Schools of Public Health and in Other Graduate Public Health Programs under section 761 of the PHS Act to:

1. Revise § 58.202, entitled "Definitions.", to amend the definitions of "Educational entity", "Nonprofit", and "State" to reflect current Department policy language for consistency in title 42, part 57 and part 58 definitions.

2. Revise § 58.205, entitled "How is the amount of the award determined?", to:

(a) Remove paragraph (a)(1) to reflect current Department policy language for consistency in title 42 CFR part 58 regulations; and

(b) Redesignate paragraph (a)(2) as paragraph (a) and revise the eligibility element in the formula for the distribution of funds as follows: The proportion of eligible full-time and full-time equivalent graduate students of each applicant enrolled in severe shortage occupations targeted for support (epidemiology, environmental health, biostatistics, toxicology, public health nutrition, and maternal and child health) to the total full-time and full-time equivalent enrollment of students in these fields of all applicants having approved applications. Modifications in the formula are the result of statutory changes in Pub. L. 102-408. The number of full-time equivalent students means the number of part-time students converted to full-time by dividing the total number of credit hours in which part-time students are enrolled by nine.

Subsequently, Pub. L. 103-43, the National Institutes of Health Revitalization Act of 1993, enacted June 10, 1993 (107 Stat. 217) added "maternal and child health" as a severe shortage health professions field eligible for support.

3. Revise § 58.208, entitled "What are the requirements for traineeships and the appointment of trainees?", to:

(a) Remove the words "traineeships and the" in the heading and remove paragraphs (a) through (e), in accordance with Pub. L. 102-408 which eliminated requirements for traineeships (paragraphs (f) through (i)

are redesignated as paragraphs (a) through (d)); and

(b) Add the current OMB control number for information collections at the end of the section.

4. Revise in its entirety § 58.209, entitled "Who is eligible for financial assistance as a trainee?", to reflect the change in eligibility criteria in accordance with Pub. L. 102-408. The changes in criteria were announced in the Federal Register by proposed notice on April 13, 1993. A comment period of 30 days was established to allow public comment concerning the proposed review criteria. No comments were received. A final notice was published June 11, 1993. Further, Pub. L. 103-43, added the health professions field of "maternal and child health" to the list of fields in which there is a severe shortage of health professionals.

5. Revise § 58.213, entitled "What additional Department regulations apply to grantees?", to add a new CFR citation to bring this program into compliance with governmentwide requirements established for this Department under 45 CFR part 93, in accordance with Pub. L. 101-121, section 319, the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, enacted on October 23, 1989, and an Interim-Final Rule, published in the Federal Register on February 26, 1990 (55 FR 6736). This CFR citation is cited in the amendatory language as "45 CFR part 93—New restrictions on lobbying".

Subpart D—Grants for Traineeships in Health Administration, Hospital Administration, or Health Policy Analysis and Planning at Public or Nonprofit Private Educational Institutions Other Than Schools of Public Health

This final rule amends Part 58, subpart D governing the Grants for Traineeships in Health Administration, Hospital Administration, or Health Policy Analysis and Planning at Public or Nonprofit Private Educational Institutions Other than Schools of Public Health under section 771 of the PHS Act to:

1. Revise the heading of Subpart D to read "Grants for Health Administration Traineeships and Special Projects Program", in accordance with Pub. L. 102-408.

2. Revise § 58.222, entitled "Definitions.", to amend the definitions of "Nonprofit" and "State" to reflect current Department policy language for consistency in title 42, part 57 and part 58 definitions.

3. Revise § 58.224, entitled "How will applications be evaluated?", to reflect current Department policy language for

consistency in 42 CFR part 57 and part 58 regulations and add the statutory criteria for the review of applications.

4. Remove § 58.228, entitled "What are the requirements for traineeships and the appointment of trainees?", in its entirety. Pub. L. 102-408 eliminated the traineeship requirements.

5. Redesignate § 58.229, entitled "Who is eligible for financial assistance as a trainee?", as § 58.228 and revise paragraph (a) concerning an eligible individual's citizenship status, the Immigration and Naturalization Service policy as it relates to the admission into the United States, its territories and possessions, to reflect current Department policy language for consistency in title 42, part 57 and part 58 regulations.

6. Redesignate § 58.230, entitled "What financial support is available to trainees?", as § 58.229.

7. Redesignate § 58.231, entitled "Duration of traineeships." as § 58.230.

8. Redesignate § 58.232, entitled "Termination of traineeships.", as § 58.231.

9. Redesignate § 58.233, entitled "What additional Department regulations apply to grantees?" as § 58.232 and revise it to add a new CFR citation to bring this program into compliance with governmentwide requirements established for this Department under 45 CFR part 93, in accordance with Pub. L. 101-121, section 319, the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, enacted on October 23, 1989, and an Interim-Final Rule, published in the Federal Register on February 26, 1990 (55 FR 6736). This CFR citation is cited in the amendatory language as "45 CFR part 93—New restrictions on lobbying".

10. Redesignate § 58.234, entitled "What other audit and inspection requirements apply to grantees?" as § 58.233, remove the legislative authority citations in parenthesis at the end of the section, and revise the section text to reflect Department policy concerning audit and inspection.

11. Redesignate § 58.235, entitled "Additional conditions." as § 58.234.

Subpart E—Grants for Allied Health Projects

The authority for section 796(a) of the PHS Act, 42 U.S.C. 295h-5, as it was in effect for Grants for Allied Health Projects was not extended by Pub. L. 97-35, the Omnibus Budget Reconciliation Act of 1981 (special projects relating to the training of allied health personnel was modified under former section 788(b), subpart NN). Pub. L. 100-607, the Health Professions Reauthorization Act of 1988 reinstated a section 797 for Allied Health Projects, but under different provisions. Because the current regulatory provisions and authority under former section 796(a) is not modifiable to the current section 797 provisions, the Department is removing from title 42, part 58 of the Code of Federal Regulations this program under subpart E, consisting of §§ 58.401 through 58.414, and placing it in reserve status.

Subpart F—Grants for Traineeships for the Advanced Training of Allied Health Personnel

The authority for section 797 of the PHS Act, 42 U.S.C. 295h-6, as it was in effect for Grants for Traineeships for the Advanced Training of Allied Health Personnel was not extended by Pub. L. 97-35, the Omnibus Budget Reconciliation Act of 1981. The provisions were modified under former section 788(b), subpart NN. Pub. L. 100-607, the Health Professions Reauthorization Act of 1988 reinstated a section 797 for Allied Health Traineeships, but under different provisions. Because the current regulatory provisions and authority under former section 797 is not modifiable to the current section 797 provisions, the Department is removing from title 42, part 58 of the Code of Federal Regulations this program under subpart F, consisting of §§ 58.501 through 58.515, and placing it in reserve status.

Further, PHS strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of all tobacco products, and Pub. L. 103-

227, the Pro-Children Act of 1994, prohibits smoking in certain facilities that receive Federal funds in which education, library, day care, health care, and early childhood development services are provided to children.

Justification for Omitting Notice of Proposed Rulemaking

Since these amendments are of a technical nature, the Secretary has determined, pursuant to 5 U.S.C. 553 and departmental policy, that it is unnecessary and impractical to follow proposed rulemaking procedures or to delay the effective date of these regulations.

Economic Impact

Executive Order 12866 requires that all regulations reflect consideration of alternatives, of costs, of benefits, of incentives, of equity, and of available information. Regulations must meet certain standards, such as avoiding unnecessary burden. Regulations which are "significant" because of cost, adverse effects on the economy, inconsistency with other agency actions, effects on the budget, or novel legal or policy issues, require special analysis.

The Department believes that the resources required to implement the requirement in these regulations are minimal. Therefore, in accordance with the Regulatory Flexibility Act of 1980, the Secretary certifies that these regulations will not have a significant impact on a substantial number of small entities. For the same reasons, the Secretary has also determined that this is not a "significant" rule under Executive Order 12866.

§ 58.205 How is the amount of the award determined?

(a) *Grants to schools of public health.* The Secretary will use a formula to determine the amount of the grant to be awarded to each school of public health with an approved application.

This formula is

$$G = \frac{SS}{TS} \times AF$$

G is the amount of the grant award; SS is the number of eligible full-time and full-time equivalent students of each applicant enrolled in severe shortage occupations targeted for support (epidemiology, environmental health, biostatistics, toxicology, public health nutrition, and maternal and child health); TS is the total number of students enrolled in graduate and specialized training in all schools of public health with approved applications; and AF is the amount of traineeship funds under this program that the Secretary has designated for award to schools of public health for that fiscal year. The Secretary will determine the number of students enrolled in graduate and specialized training in public health at the school (SS) with the formula

$$SS = FTS + \frac{PTC}{9}$$

FTS is the number of full-time students, and PTC is the total number of credit hours in which part-time students are enrolled. If necessary, the figure for

$$\frac{PTC}{9}$$

will be rounded to the next highest number. Students will be counted as of October 15 of the fiscal year in which application is made. The amount of a grant will never exceed the amount requested by the applicant.

**FEDERAL COMMUNICATIONS
COMMISSION**

47 CFR Part 76

[MM Docket No. 92-260; FCC 95-503]

Cable Home Wiring

AGENCY: Federal Communications Commission.

ACTION: Final rule; First Order on Reconsideration.

SUMMARY: The First Order on Reconsideration denies petitions for reconsideration of the Commission's

cable home wiring rules, except to specify the procedure a cable operator must follow when a subscriber terminates cable service. This order will facilitate competition in the video marketplace by clarifying rules governing the disposition of wiring. **EFFECTIVE DATE:** Upon approval by the Office of Management and Budget. At a later date, the Commission will publish a document reflecting the actual effective date.

FOR FURTHER INFORMATION CONTACT: Lynn Crakes or Rick Chessen, Cable Services Bureau, (202) 416-0800. For additional information concerning the information collections contained in this Order contact Dorothy Conway at 202-418-0217, or via the Internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION: This First Order on Reconsideration contains proposed or modified information collections subject to the Paperwork Reduction Act of 1995 ("PRA"), Pub. L. No. 104-13. It has been submitted to the Office of Management and Budget ("OMB") for review under Section 3507(d) of the PRA. OMB, the general public, and other Federal agencies are invited to comment on the proposed or modified information collections contained in this proceeding.

Title: 47 CFR 76.802 Disposition of Cable Home Wiring

Type of Review: New Collection
Respondents: Business of other for profit; individuals or households

Number of Respondents: 11,400 cable operators

Estimated Time Per Response: .083 hours (5 minutes)

Total Annual Burden: 18,039 hours

Needs and Uses: This information disclosure requirement ensures that consumers are informed of their cable home wiring purchase rights upon termination of cable service, including information regarding the purchase of their home wiring in a single contact, and the use of wiring to connect to an alternative video programming service. This rule promotes competition by clarifying the disposition of wiring upon termination of cable service. Cable operators' responsibilities are clearly defined and their property rights protected.

This is a synopsis of the Commission's First Order on Reconsideration in MM Docket No. 92-260, FCC No. 95-508, adopted December 15, 1995 and released January 26, 1996.
