**National Oil and Hazardous Substances Pollution Contingency Plan; National Priorities List**

**AGENCY:** Environmental Protection Agency (EPA).  
**ACTION:** Notice of deletion of the Lewisburg Dump Site from the National Priorities List (NPL).

**SUMMARY:** The Environmental Protection Agency (EPA) announces the deletion of the Lewisburg Dump site in Lewisburg, Tennessee, from the National Priorities List (NPL), which is appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). EPA and the State have determined that all appropriate Fund-financed responses under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), as amended, have been implemented and that no further cleanup is appropriate. Moreover, EPA and the State have determined that remedial actions conducted at the site to date have been protective of public health, welfare, and the environment. This deletion does not preclude future actions under Superfund.

**EFFECTIVE DATE:** February 1, 1996.  
**FOR FURTHER INFORMATION CONTACT:** Femi Akindele, Remedial Project Manager, U.S. Environmental Protection Agency, Region 4, North Superfund Remedial Branch, 345 Courtland Street, N.E., Atlanta, Georgia 30365, (404) 347-7791, extension 2042.  
**SUPPLEMENTARY INFORMATION:** The site to be deleted from the NPL is: Lewisburg Dump Superfund Site, Lewisburg, Tennessee.

A Notice of Intent to Delete for this site was published on December 20, 1995, (60 FR 65616). The closing date for comments on the Notice of Intent to

Delete was January 11, 1996. EPA received no comments.  
 EPA identifies sites that appear to present a significant risk to public health, welfare, or the environment and it maintains the NPL as the list of those sites. Any site deleted from the NPL remains eligible for Fund-financed remedial actions in the unlikely event that conditions at the site warrant such action in the future. Section 300.425(e)(3) of the NCP states that Fund-financed actions may be taken at sites deleted from the NPL. Deletion of a site from the NPL does not affect responsible party liability or impede agency efforts to recover costs associated with response efforts.
