DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No 95-30]

Philip G. Marais, D.D.S., Denial of Application

On January 25, 1995, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Philip G. Marais, D.D.S., (Respondent) of Long Beach, California, notifying him of an opportunity to show cause as to why the DEA should not deny his pending application for a DEA Certificate of Registration as a practitioner, under 21 U.S.C. 823(f), as being inconsistent with the public interest.

On May 19, 1995, the Respondent filed a request for a hearing, and on June 8, 1995, the Government filed a Motion for Summary Disposition, alleging that the Respondent was no longer authorized to handle controlled substances in the State of California. The motion was supported by copies of

the July 15, 1994, Decision After Nonadoption by the State of California Board of Dental Examiners (Dental Board), and a March 10, 1995, Default Decision in which the Dental Board reimposed a seven-year revocation of the Respondent's license, effective April 10, 1995.

On June 9, 1995, Administrative Law Judge Mary Ellen Bittner sent the Respondent, via certified, return receipt mail, an Order affording him until June 30, 1995, to file a response to the Government's motion. That Order was returned to the Office of the Administrative Law Judge by the U.S. Postal Service on June 19, 1995, and re-sent to the Respondent via certified, return receipt mail on June 22, 1995, extending the response date to July 10, 1995. The Respondent did not file a response or make any other attempt to deny that his state license had been revoked.

On July 20, 1995, Judge Bittner issued her Opinion and Recommended Decision, granting the Government's motion for summary disposition, and recommending that the Respondent's DEA Certificate of Registration be revoked. Neither party filed exceptions to her decision, and on August 28, 1995, Judge Bittner transmitted the record of these proceedings to the Deputy Administrator.

The Deputy Administrator has considered the record in its entirety, and pursuant to 21 CFR 1316.67, hereby issues his final order based upon findings of fact and conclusions of law as hereinafter set forth. The Deputy Administrator adopts the Opinion and Recommended Decision of the Administrator Law Judge, with one noted exception, and his adoption is in no manner diminished by any recitation of facts, issues and conclusions herein, or of any failure to mention a matter of fact or law.

The Deputy Administrator finds that on July 29, 1992, the Respondent voluntarily surrendered DEA Certificate of Registration AM8093875, based on his alleged failure to comply with Federal requirements pertaining to controlled substances. On August 27, 1992, the Respondent applied for a new DEA Certificate of Registration as a practitioner. On July 15, 1994, the Dental board issued a Decision After Nonadoption, ordering the suspension of the Respondent's license to practice dentistry (license) for sixty (60 days, effective August 15, 1994. In addition, the Dental board revoked the Respondent's license, but stayed the revocation and placed the Respondent on probation for seven (7) years. However, on March 10, 1995, the Dental
