Privacy Act of 1974; Systems of Records

AGENCY: Department of Health and Human Services (HHS), the Health Care Financing Administration (HCFA).

ACTION: Notice of proposed new routine use for existing and future systems of records.

SUMMARY: HCFA proposes revising the systems notices for all of its existing and future systems of records to include a routine use to allow for the disclosure of information, without the individual's consent, to the Social Security Administration (SSA) in order to enable SSA to assist HCFA in the implementation and maintenance of the Medicare and Medicaid programs.

This new routine use is necessary due to the establishment of SSA as a separate agency which is not a part of HHS. Prior to March 31, 1995, SSA and HCFA were components within HHS and, as such, enjoyed the benefits of the special relationship afforded members of the same Department. One of these benefits was the ability to disclose and
