

cable operator respondents and 10 hours per local franchising authority respondents; 2,100 cable operator and 525 local franchising authority respondents.

Description: Section 76.922(h) enables cable operators in some circumstances to increase rates when undertaking significant network upgrades. This form allows cable operators to justify rate increase related to capital expenditures used to improve services to regulated cable subscribers. Operators wishing to establish a network upgrade rate increase should file the form 1235 following the end of the month in which upgraded cable services become available and are providing benefits to the customers. In addition this form can be filed for pre-approval any time prior to the upgraded services becoming available to the subscribers using projected upgrade costs. If the preapproval option is exercised the operator must file the form again following the end of the month in which upgraded cable services become available and are providing benefits to the customers.
