

17A(b)(3) because it is designed to promote the prompt and accurate clearance and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

PCC does not believe the proposed rule changes will impose a burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No comments were received from members.

III. Date on Effectiveness of the Proposed Rule Change and Timing for Commission Action

Section 17A(b)(3)(F) of the Act⁷ requires that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and to foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions. The Commission believes PCC's proposed rule change is consistent with PCC's obligations under Section 17A(b)(3)(F) because the proposed rule change should facilitate PCC's conversion entirely to an SDFS system by including provisions in PCC's rules to enable PCC to settle with its participants and NSCC in same day funds. The amended rules and Participants Agreement should provide PCC with prompt receipt of or access to members' funds, which will be necessary to settle in a timely manner in an SDFS environment. The overall conversion to an SDFS system should help reduce systemic risk by, among other things, eliminating overnight credit risk. The SDFS system also should reduce risk by achieving closer conformity with the payment methods used in the derivatives markets, government securities markets, and other markets.

PCC has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing. The Commission finds good cause for so approving the proposed rule change because the proposed rule change modifies PCC's rules in anticipation of PCC's and the securities industry's conversion to an SDFS system on February 22, 1996. Accelerated approval of the proposal will allow PCC to effect the conversion and to implement the

safeguards provided under the rules and amended Participants Agreement.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule changes that are filed with the Commission and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 522, will be available for inspection and copying in the Commission's Public Reference Room, 450 Fifth Street, NW., Washington, DC. Copies of such filing will also be available for inspection and copying at the principal office of PCC. All submissions should refer to SR-PCC-96-01 and should be submitted by March 20, 1996.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File Nos. SR-PCC-96-01) be, and hereby is, approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁸

Deputy Secretary.
