**Wirekraft Industries, Inc. Burcliff Division; Ft. Smith, Arkansas and Franklin, North Carolina; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 28, 1995, applicable to all workers of Wirekraft Industries, Burcliff Division, located in Ft. Smith Arkansas. The notice was published in the Federal Register on September 26, 1995 (60 FR 49635).

Based on new information received from petitioners, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of electrical wiring harnesses for ranges and refrigerators, as well as controls for small electrical appliances. The company reports that layoffs will occur at the subject firm's Franklin, North Carolina location, when plant closure

begins in March 1996. Accordingly, the Department is amending the certification to cover the workers of the subject firm located in Franklin.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports.

The amended notice applicable to TA-W-31,315 is hereby issued as follows:

"All workers of Wirekraft Industries, Inc., Burcliff Division, Ft. Smith, Arkansas (TA-W-31,315) and Franklin, North Carolina (TA-W-31,315A) who became totally or partially separated from employment on or after July 25, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 20th day of February 1996.

Russell T. Kile,

*Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.*
