

**Notice of Proposals to Engage in Permissible Nonbanking Activities or the Acquisition of Companies that are Engaged in Permissible Nonbanking Activities**

The companies listed in this notice have given notice under section 4 of the Bank Holding Company Act (12 U.S.C. § 1843) (BHC Act) and Regulation Y, (12 CFR Part 225) to commence or to engage *de novo*, or to acquire or control voting securities or assets of a company that engages either directly or through a subsidiary or other company, in a nonbanking activity that is listed in § 225.25 of Regulation Y (12 CFR 225.25) or that the Board has determined by Order to be closely related to banking and permissible for bank holding companies. Unless otherwise noted, these activities will be conducted throughout the United States.

Each notice is available for immediate inspection at the Federal Reserve Bank indicated. Once the notice has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the question whether the proposal complies with the standards of section 4 of the BHC Act, including whether consummation of the proposal can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. § 1843). Any request for a hearing on this question must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than March 19, 1996.

**Proposed Projects**

1. Supplement to HIV/AIDS Surveillance (SHAS)—Extension—(0920-0262) There continues to be significant interest from public health, community, minority groups, and affected groups in obtaining more information on persons with HIV/AIDS infection. Since 1989, the Centers for Disease Control and Prevention (CDC), in collaboration with 12 state and local health agencies, has collected data through the national Supplemental HIV/AIDS Surveillance (SHAS) project. The objective of this project is to obtain increased descriptive information on
