NATIONAL CREDIT UNION ADMINISTRATION

Privacy Act of 1974; Amendment to an Existing System of Records

AGENCY: National Credit Union Administration.

ACTION: Amendment to an existing system of records.

SUMMARY: In accordance with the Privacy Act of 1974 (Privacy Act), the National Credit Union Administration (NCUA or NCUA Board) is publishing amendments to the existing system of records entitled Investigative Reports Involving Any Crime or Suspected Crime against a Credit Union, NCUA (NCUA 15) and is amending appendix B to its System of Records. The changes to NCUA 15 reflect a new interagency suspicious activity reporting process, combining the criminal referral and suspicious financial transactions reporting requirements of the federal financial regulatory agencies and the U.S. Department of the Treasury (Treasury), and involving the use of a new computerized database maintained by the Financial Crimes Enforcement Network (FinCEN), of the Treasury, on behalf of these agencies and Treasury. Additional changes are made to NCUA

15 to update the system. The changes to appendix B (which applies to all of NCUA Systems of Records) updates the listing of NCUA regional offices and the states covered by each region.

EFFECTIVE DATE: The revised system will become effective without further notice on April 1, 1996, unless comments postmarked, received or posted on NCUA's Electronic Bulletin Board on or before April 1 cause a contrary decision. If based on NCUA's review of comments received, changes are made, NCUA will publish a new notice.

FOR FURTHER INFORMATION CONTACT: Hattie M. Ulan, Special Counsel to the General Counsel, NCUA, 1775 Duke Street, Alexandria, VA 22314-3428.

SUPPLEMENTARY INFORMATION: Section (e)(4) of the Privacy Act of 1974, 5 U.S.C. 552a(e)(4) (Privacy Act), requires each agency to publish a notice of the establishment of or revision to each system of records maintained by the agency. The NCUA Board is amending existing system NCUA 15 by changing its name from "Investigative Reports Involving Any Crime or Suspected Crime Against a Credit Union, NCUA" to "Investigative Reports Involving Any Crime, Suspected Crime or Suspicious Activity Against a Credit Union, NCUA." Other changes to the system are discussed below. Exemption rules promulgated pursuant to exemption (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2), continue to apply for the amended system.

Certain of the changes to the system reflect an agreement between FinCEN and the NCUA Board, the Office of the Comptroller of the Currency (OCC), the Federal Deposit Insurance Corporation (FDIC), the Office of Thrift Supervision (OTS), and the Federal Reserve Board (FRB) (the federal financial regulatory agencies) to store Suspicious Activity Reports (SAR) in electronic form in a database maintained by FinCEN and located in Detroit, Michigan. The SAR is being adopted by all federal financial regulatory agencies and by the Treasury as a replacement for the Criminal Referral Form, which has been in use by financial institutions to report suspected criminal activity by individuals to the federal financial regulatory agencies and the federal law enforcement authorities (see FRB, OCC and OTS proposed rulemakings at 60 FR 34481, July 3, 1995; 60 FR 34476, July 3, 1995; and 60 FR 36366, July 17, 1995; respectively). NCUA will be amending its criminal referral form regulation (12 CFR part 748) at a later date. Information from the Criminal Referral Form has always been included in the existing system and similar information will continue to be

collected by the SAR. In addition to reports of suspected criminal activity, the SAR will also allow a credit union or other financial institution to report suspicious financial transactions under federal money laundering statutes, pursuant to Treasury regulations, (31 CFR part 103). Some of this information is currently reported on currency transaction reports required to be filed by financial institutions. Only the information collected by the SAR, and its status updates, will be located in the database maintained by FinCEN; all other information in the system will be located at the NCUA.

Pursuant to the interagency agreement between FinCEN and the federal financial regulatory agencies, FinCEN will manage a computerized database containing the SAR and status updates, which is information currently collected and/or maintained separately by each of the federal financial regulatory agencies. With regard to this database, only those records that are generated under the jurisdiction of the NCUA Board are considered to be NCUA records for purposes of the Privacy Act. Access to and use of these NCUA records by other agencies will continue to be governed by the routine uses in NCUA's System 15.

Accordingly, the "Routine Uses" element is being amended to reflect the sharing among federal financial regulatory agencies and law enforcement agencies of the information collected by the SAR and the status updates. Additionally, the "Safeguards" element is amended to add that on-line access to the computerized database maintained by FinCEN is limited to authorized individuals who have been specified by each federal financial regulatory agency and Treasury, and who have been issued a nontransferable identifier or password.

Other amendments reflect an overall update to the system including the addition of "persons participating in the affairs of a credit union" as a category of individuals covered by the system; the addition of a paragraph explaining the purpose of the system; the addition of several routine uses and record source categories; and changes in the system manager and address. The exemption for this system of records continues to be (k)(2), because the information consists of investigatory material compiled for law enforcement purposes.

The NCUA Board is also updating appendix B to its Systems of Records, to reflect correct addresses for the six NCUA regional offices and the states covered by each.

In accordance with 5 U.S.C. 552(r), a report of this amended system of records is being filed with the President of the Senate, the Speaker of the House of Representatives, and the Director of the Office of Management and Budget (OMB). OMB has oversight authority over agency implementation of the Privacy Act. This amended system of records will become effective on April 1, 1996, without further notice, unless the Board publishes a notice to the contrary in the Federal Register.

Accordingly, the Board has amended the system of records NCUA 15, newly entitled "Investigative Reports Involving Any Crimes, Suspected Crime or Suspicious Activity Against a Credit Union, NCUA", and appendix B to its Systems of Records as follows:

NCUA-15

SYSTEM NAME:

Authorized personnel at NCUA's Central Office and six regional offices have on-line access to the computerized database managed by FinCEN through individual work stations that are linked to the database central computer.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Directors, officers, committee members, employees, agents, and persons participating in the conduct of the affairs of federally insured credit unions who are reported to be involved in suspected criminal activity or suspicious financial transactions and are referred to law enforcement officials; and other individuals who have been involved in irregularities, violations of law, or unsafe or unsound practices referenced in documents received by the NCUA in the course of exercising its supervisory functions.

suspicious activity involved, and any witnesses.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM: 12 U.S.C. 1786 and 1789.

PURPOSE(S):

The overall system serves as a NCUA repository for investigatory or enforcement information related to its responsibility to examine and supervise federally insured credit unions. The system maintained by FinCEN serves as the database for the cooperative storage, retrieval, analysis, and use of information relating to Suspicious Activity Reports made to or by the NCUA Board, the Federal Reserve Board, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Office of Thrift Supervision, (collectively, the federal financial regulatory agencies), and FinCEN to various law enforcement agencies for possible criminal, civil, or administrative proceedings based on known or suspected violations affecting or involving persons, financial institutions, or other entities under the supervision or jurisdiction of such federal financial regulatory agencies.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS, AND THE PURPOSES OF SUCH USES:

Information in these records may be used to:

- (1) Determine if any further agency action should be taken.
- (2) Provide the federal financial regulatory agencies and FinCEN with information relevant to their operations;
- (3) Disclose information to third parties during the course of an investigation to the extent necessary to obtain information pertinent to the investigation;
- (4) With regard to formal or informal enforcement actions; release information pursuant to 12 U.S.C. 1786(s), which requires the NCUA Board to publish and make available to the public final orders and written agreements, and modifications thereto; and
- (5) Standard routine uses as set forth in appendix A.

Paper records and word processing discs are stored at the NCUA in lockable metal file cabinets. The database maintained by FinCEN complies with applicable security requirements of the Department of the Treasury. On-line access to the information in the database is limited to authorized individuals who have been designated by each federal financial regulatory agency and FinCEN, and each such individual has been issued a nontransferable identifier or password.

RETENTION AND DISPOSAL:

Records are maintained indefinitely.
