TITLE AND OMB CONTROL NUMBER: Joint Recruiting Advertising Program, OMB Control Number 0704-0351.

SUMMARY: Every year, the Department of Defense publishes an information folder about ROTC Scholarships. These folders

are sent to each high school guidance counselor in the country for their use in acquainting their students with Reserve Officers Training Corps (ROTC) scholarship opportunities. Included in these folders are reply cards that individual students can use to request additional information about ROTC scholarships. The reply cards, which the students respond to on a strictly voluntary basis, ask for the student's name, address, high school, graduation date, date of birth, phone number, whether they are a U.S. citizen, name of college they plan to attend, gender and social security number. The social security number is used for tracking purposes only and the gender information is used for statistical purposes only.

Needs and Uses: Section 503, Title 10 U.S. Code, directs the Secretary of Defense to conduct intensive recruiting campaigns for the Armed Forces encouraging military service. The Joint Recruiting Advertising Program (JRAP) supports Armed Forces recruitment efforts with cost-effective advertising support. The JRAP ROTC Scholarship Folder reply cards generate qualified ROTC scholarship applications.
