

amendment, and analyze the impacts of the suitability of public lands for classification and conveyance for landfill purposes under the RPP Act. A "Landfill Transfer Audit" (LTA) document will be prepared for each site/location. Following completion of the environmental assessment and upon signature of a Decision Record, and if the plan amendment as described above is approved, the classification of the public lands as suitable for conveyance will be effective, and the process to convey the public lands may be completed. Conveyance of the lands would be subject to the following terms, conditions and reservations:

1. Provisions of the RPP Act and applicable regulations of the Secretary of the Interior.
2. A right-of-way for ditches or canals constructed by the authority of the United States.
3. All valid and existing rights documented on the official public land records at the time of patent issuance.
4. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove the minerals.

Upon publication of this Notice in the Federal Register, the public lands described above are segregated from all forms of appropriation under the public land laws, including the mining laws, except for conveyance under the RPP Act and leasing under the Mineral Leasing Act. A notice terminating the segregation on lands not classified suitable for conveyance will be published.

For information concerning these actions, contact Mike DeKeyrel (619-255-8730) or Edy Seehafer (619-255-8713), Barstow Resource Area, 150 Coolwater Lane, Barstow, CA 92311. For a period of 45 days after the publication of this notice in the Federal Register, interested parties may submit comments to the Area Manager, Barstow Resource Area at the above address.

**PLAN AMENDMENT COMMENTS:** Interested parties may submit comments concerning the proposed amendments to the CDCA Plan for public lands at the proposed Newberry Transfer Station, and the existing Newberry and Yermo landfills.

**CLASSIFICATION COMMENTS:** Interested parties may submit comments involving the suitability of the lands for sanitary landfill and/or transfer station purposes. Comments on the classification of lands are restricted to whether the lands are physically suited for the use, whether the use will maximize the use or future uses, whether the use is consistent with local planning and zoning, or whether

the use is consistent with State or Federal programs.

**APPLICATION/ENVIRONMENTAL ASSESSMENT/CONVEYANCE COMMENTS:** Interested parties may submit comments regarding the specific proposed use in the applications and plans of development, anticipated impacts of the proposal, and the Bureau's administrative procedure used in reaching a decision on conveyance of the public lands.

### Realty Action; Sale for Recreation and Public Purposes; Wyoming

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of Realty Action, Recreation and Public Purposes classification and application for sale in Washakie County.

**SUMMARY:** The following public lands in Washakie County, Wyoming have been examined and found suitable for classification for conveyance to the City of Worland under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The City of Worland proposes to use the lands for a law enforcement shooting range.

Sixth Principal Meridian

T. 47 N. R. 93 W.

Section 13, lot 4, E $\frac{1}{2}$ E $\frac{1}{2}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ .

Containing 44.13 acres more or less.

The lands are not needed for Federal purposes. Conveyance is consistent with current BLM land use planning and would be in the public interest.

The patent, when issued, will be subject to the following terms, conditions and reservations:

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove the minerals.

4. Those rights to be granted for an existing powerline owned and operated by Pacific Power and Light Company.

Detailed information concerning this action is available for review at the Office of the Bureau of Land Management, Worland District Office, 101 South 23rd, Worland, Wyoming.

Upon publication of this notice in the Federal Register, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the Federal Register, interested persons may submit comments regarding the proposed conveyance or classification of the lands to the District Manager, Worland District Office, P.O. Box 119, Worland, WY 82401.

**CLASSIFICATION COMMENTS:** Interested parties may submit comments involving the suitability of the land for a law enforcement shooting range. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

**APPLICATION COMMENTS:** Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a law enforcement shooting range.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the Federal Register.

Dated: February 27, 1996.

### Notice of Intent To Comment on Area of Critical Environmental Concern in Meade County; South Dakota

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The South Dakota Resource Area is finalizing a revision of the Recreation Management Plan for the Fort Meade Recreation Area near Sturgis, South Dakota. The revision, which was initiated in 1992, updates the present plan which was approved in 1981 and incorporated into the South Dakota Resource Management Plan (RMP) in 1985. During the revision process, the Fort Meade Recreation Area was internally nominated for designation as an Area of Critical Environmental Concern (ACEC). In response, the South Dakota Resource Area evaluated the area as a potential ACEC and found it met the relevance and importance criteria for its historic and cultural resource values. As a result, another alternative will be analyzed which considers ACEC designation and the management prescriptions that would accompany such a designation.

In accordance with 43 CFR 1610.7-2, written comments will be accepted for 60 days, beginning with the date of this Federal Register notice. Written comments received during the comment period will be considered in the plan amendment and environmental analysis.

**ADDRESSES:** Written comments on the proposal should be directed to Tom Steger, Area Manager, Bureau of Land Management, South Dakota Resource Area Office, 310 Roundup Street, Belle Fourche, South Dakota 57717.

**FOR FURTHER INFORMATION CONTACT:** Dennis Bucher, Outdoor Recreation Planner, South Dakota Resource Area Office, Belle Fourche, South Dakota 57717, 605-892-2526.

**SUPPLEMENTARY INFORMATION:** The Fort Meade Recreation Area, consisting of 6700 acres, would be designated as an ACEC. This area would be managed to protect its unique cultural and historical values. Resource use limitations for this area would be: Closure to off-road vehicle travel, restrictions on land use authorizations, restrictions on recreational facility development, commercial and noncommercial removal of forest products allowed with restrictions, prescribed fire allowed, livestock grazing allowed, closed to entry for minerals.
