Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of Information Collection

Continuing Disability Report; OMB 3220-0187

Under Section 2 of the Railroad Retirement Act, an annuity is not

payable or is reduced for any month in which the annuitant works for a railroad or earns more than prescribed dollar amounts from either non-railroad employment or self-employment. Certain types of work may indicate an annuitant's recovery from disability. The provisions relating to the reduction or non-payment of annuities by reasons of work and an annuitant's recovery from disability for work are prescribed in 20 CFR 220.17-220.20.

Form G-254, Continuing Disability Report, is used by the RRB to obtain information needed to determine if a reduction in or the non-payment of a disability annuity because of work performed by a disability annuitant is in order. Completion of the form becomes necessary when the RRB receives information indicating work activity or a change in the physical or mental condition of the disabled annuitant. One response is requested of each respondent. Completion is required to retain a benefit. The RRB proposes minor editorial changes to Form G-254.

Estimate of Annual Respondent Burden

The estimated annual respondent burden is as follows:

Form Nos.	Annual responses	Time minutes	Burden hours
G-254	2,100	35	1,225

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Frontier Communications Services Inc., 9% Senior Subordinated Notes Due May 15, 2003) File No. 1-11966

March 1, 1996.

Frontier Communications Services Inc. (formerly Allnet Communication Services, Inc.) ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the withdrawal from listing of the Securities is warranted because: As of the date hereof, there are only eight registered holders of the Securities. Approximately 97.1% of the principal amount of currently outstanding Securities is held in the name of the nominee for the Depositary Trust Company ("DTC"). According to the latest information provided by DTC, there are only 29 participants owning Securities through DTC.

There is limited trading in the Securities on the Exchange and the Company believes that it is unlikely that the Securities will become actively traded in the futures. Continued listing

of the Securities is costly to the Company. Because of the limited number of holders of the Securities, after delisting and the filing of a Form 15 with the Commission, the Company will no longer be subject to the reporting requirements of the Securities Exchange Act of 1934, as amended. This will allow the Company to save compliance costs incurred in preparing annual and periodic reports to be filed with the Commission.

The Company is not obligated under the Indenture or any other documents to maintain the listing of the Securities on the Exchange or any other exchange.

The Company further represents, however, that following the filing with the Commission of a Form 15 in respect of the Securities, the Company has undertaken to provide holders of the securities with annual audited financial statements and other information regarding the Company. In addition, the Company further represents that it has received a letter from Lehman Brothers indicating its intention to make a market in the Securities following the withdrawal of the Securities from listing on Amex.

Any interested person may, on or before March 22, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Gulf Canada Resources Limited, Ordinary Shares, Without Par Value; and Fix/Adjustable Rate Senior Preference Shares, Series 1, Without Par Value) File No. 1-9073

March 1, 1996.

Gulf Canada Resources Limited ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities

Exchange Act of 1934 ("Act") and rule 12d2-(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, it has listed the Security with the New York Stock Exchange, Inc. ("NYSE"). In making the decision to withdraw the Securities from listing on the Amex, the Company considered the direct and indirect costs and expenses attendant on maintaining the dual listing of the Securities on the NYSE and on the Amex. The Company does not see any particular advantage in the dual trading of the Securities and believes that dual listing would fragment the market for its Securities.

Any interested person may, on or before March 22, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
