Agency Information Collection Activities Under OMB Review; Standards of Performance for Industrial-Commercial-Institutional Steam Generating Units/Information Collection Request Burden Analysis; OMB No. 2060-0072 EPA No. 1088.07

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3507 (a)(1)(D)), this notice announces that the Information Collection Request (ICR) for NSPS Subpart Db: Standards of Performance for Industrial-Commercial-Institutional Steam Generating Units described below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collection and its expected burden and cost; where appropriate, it includes the actual data collection instrument.

DATES: Comments must be submitted on or before April 8, 1996.

FOR FURTHER INFORMATION OR A COPY CALL: Sandy Farmer at EPA, (202) 260-2740, and refer to EPA ICR No. 1088.07 and OMB No. 2060-0072.

SUPPLEMENTARY INFORMATION: Title: NSPS Subpart Db: Standards of Performance for Industrial-Commercial-Institutional Steam Generating Units (OMB number 2060-0072; EPA ICR No. 1088.07). This is a request for extension of a currently approved collection.

Abstract: Owners/Operators of Steam Generating Units subject to Subpart Db must notify EPA of construction, modification, start-up, shut-downs, malfunctions, dates and results of initial performance tests. Owners/Operators of these Steam Generating Units would be required to keep records of design and operating specifications of all equipment installed to comply with the standards. This information is necessary to ensure that equipment design and operating specifications are met. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it

displays a currently valid OMB control number. The OMB numbers for EPA's regulations are listed in 40 CFR Part 9 and 48 CFR Chapter 15. The Federal Register Notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on December 8, 1995 (FR 63035); one written and two verbal comments were received concerning this information collection.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 414,257 hours. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: 696.

Estimated Number of Respondents: 696.

Frequency of Response: Quarterly and Annually.

Estimated Total Annual Hour Burden: 414,257 hours.

Estimated Total Annualized Cost Burden: \$12,614,000.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No. 1088.07 and OMB Control No. 2060-0072 in any correspondence.

Science Advisory Board; Emergency Notification of Public Advisory Committee Meetings

This is an Emergency Notification of Federal Advisory Committee Meetings. This notice is being published less than fifteen calendar days prior to the date of the announced meetings due to delays caused by Federal budgetary exigencies. In addition, scheduling and announcement of several of these meetings has been delayed due to ongoing litigation involving one of the committees that has set the schedule for that Advisory Committee's review of certain scientific documents. Information concerning this delay is given in 61 FR 6004-6006 published on February 15, 1996.

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that several committees of the Science Advisory Board (SAB) will meet on the dates and times described below. All times noted are Eastern Time. All meetings are open to the public. Due to limited space, seating at meetings will be on a first-come basis. For further information concerning specific meetings, please contact the individuals listed below. Documents that are the subject of SAB reviews are normally available from the originating EPA office and are not available from the SAB Office.

1. Ecological Processes and Effects Committee

The Ecological Processes and Effects Committee (EPEC) of the Science Advisory Board (SAB) will meet on March 14-15, 1996, at the Environmental Protection Agency's Waterside Mall Complex, 401 M Street, SW., Washington, DC 20460 in Room M2103. For convenient access, members of the public should use the EPA entrance next to the Safeway store. The meeting will begin at 8:30 a.m. and end no later than 5:00 p.m. on each day.

The main purpose of the meeting is to discuss ecological risks and the potential for risk reduction as part of an SAB project to update the 1990 SAB report, Reducing Risk: Setting Priorities and Strategies for Environmental Protection. EPEC may also conduct general committee business, including briefings on upcoming review topics,
