## SECURITIES AND EXCHANGE COMMISSION

### **Issuer Delisting; Notice of Application to Withdraw from Listing and Registration; (Mobile Mini, Inc., Common Stock, \$.01 Par Value; Warrants) File No. 1-12804**

March 5, 1996.

Mobile Mini, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Pacific Stock Exchange Incorporated ("PSE").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the application for listing on Nasdaq as a National Market Security ("Nasdaq/NMS") was approved by the National Association of Securities Dealers ("NASD") and the Company is now listed on the Nasdaq/NMS. Listing on the Nasdaq/NMS allows market makers in the Company's Securities to instantaneously change the bid and ask quotations of the Company's Securities while the market is open, provided that they comply with rules promulgated by the NASD. There are currently 19 market makers on the Nasdaq/NMS providing a market in the Company's Securities.

The Company believes that listing on both the Nasdaq/NMS and the Exchange

could result in quotation discrepancies, resulting in detrimental fluctuations of the Company's securities. Price discrepancies and other market inefficiencies could result in arbitrage trading which could be detrimental to the Company's stockholders. Additionally, the Company is subject to fees assessed by both the Exchange and the NASD and believes that the interests of its stockholders are best served by withdrawal from listing and registration on the Exchange in order to avoid duplicate fees. The Company further believes that listing on the Nasdaq/NMS will enable current shareholders to facilitate trades in the Company's securities in the most cost-effective manner.

Any interested person may, on or before March 26, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

*Secretary.*

### **Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Simula, Inc., Common Stock, \$.01 Par Value; 12% Senior Subordinated Notes (Series 1993) Due 1998) File No. 1-12410**

March 5, 1996.

Simula, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, in addition to being listed on the Amex, the Securities are listed on the New

York Stock Exchange, Inc. ("NYSE"). The Securities commenced trading on the NYSE at the opening of business on January 31, 1996 and concurrently therewith the Securities were suspended from trading on the Amex.

In making the decision to withdraw the Securities from listing on the Amex, the Company considered the direct and indirect costs and expenses attendant with maintaining the dual listing of the securities on the NYSE and on the Amex. The Company does not see any particular advantage in the dual trading of the Securities and believes that dual listing would fragment the market for the Securities.

Any interested person may, on or before March 26, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street NW., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

*Secretary.*
