41 CFR Chapter 301

[FTR Amendment 47]

RIN 3090-AF79

Federal Travel Regulation; Maximum Per Diem Rates

AGENCY: Office of Policy, Planning and Evaluation, GSA.

ACTION: Final rule.

SUMMARY: An analysis of lodging and meal cost survey data reveals that the listing of maximum per diem rates for locations within the continental United States (CONUS) should be updated to provide for the reimbursement of Federal employees' expenses covered by per diem. This final rule increases/decreases the maximum lodging and meals and incidental expenses amounts in certain existing per diem localities, adds new per diem localities, and defines a time frame for submission to the General Services Administration

(GSA) of rate adjustment requests for travel within CONUS.

DATES: *Effective date:* This final rule is effective April 1, 1996.

Applicability date: The per diem rates in this final rule apply for travel performed on or after April 1, 1996.

FOR FURTHER INFORMATION CONTACT: Travel and Transportation Management Policy Division (MTT), Washington, DC 20405, Jane Groat, (703) 305-5745..

SUPPLEMENTARY INFORMATION: GSA has determined that this rule is not a significant regulatory action for the purposes of Executive Order 12866 of September 30, 1993. This final rule is not required to be published in the **FEDERAL REGISTER** for notice and comment. Therefore, the Regulatory Flexibility Act does not apply.

APPENDIX A—PRESCRIBED MAXIMUM PER DIEM RATES FOR CONUS

3. Appendix A to chapter 301 is revised to read as follows:

APPENDIX A TO CHAPTER 301—PRESCRIBED MAXIMUM PER DIEM RATES FOR CONUS

The maximum rates listed below are prescribed under §301-7.3(a) of this chapter for reimbursement of per diem expenses incurred during official travel within CONUS (the continental United States). The amount shown in column (a) is the maximum that will be reimbursed for lodging expenses including applicable taxes. The M&IE rate shown in column (b) is a fixed amount allowed for meals and incidental expenses covered by per diem. The per diem payment calculated in accordance with part 301-7 of this chapter for lodging expenses plus the M&IE rate may not exceed the maximum per diem rate shown in column (c). Seasonal rates apply during the periods indicated.

Per diem locality		Maximum lodging amount (a)	+	M&IE rate (b)	=	Maximum per diem rate ⁴ (c)
Key city ¹	County and/or other defined location ^{2, 3}					
CONUS, Standard rate		\$40		\$26		\$66
(Applies to all locations within CONUS not specifically listed below or encompassed by the boundary definition of a listed point. However, the standard CONUS rate applies to all locations within CONUS, including those defined below, for certain relocation subsistence allowances. See parts 302-2, 302-4, and 302-5 of this subtitle.)

¹ Unless otherwise specified, the per diem locality is defined as “all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries.”

² Per diem localities with county definitions shall include “all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties.”

³ Military installations or Government-related facilities (whether or not specifically named) that are located partially within the city or county boundary shall include “all locations that are geographically part of the military installation or Government-related facility, even though part(s) of such activities may be located outside the defined per diem locality.”

⁴ Federal agencies may submit a request to GSA for review of the costs covered by per diem in a particular city or area where the standard CONUS rate applies when travel to that location is repetitive or on a continuing basis and travelers’ experiences indicate that the prescribed rate is inadequate. Other per diem localities listed in this appendix will be surveyed on an annual basis by GSA to determine whether rates are adequate. Requests for per diem rate adjustments shall be submitted by the agency headquarters office to the General Services Administration, Office of Policy, Planning and Evaluation, Attn.: Travel and Transportation Management Policy Division (MTT), Washington, DC 20405. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to GSA any requests from bureaus or subagencies. Requests for rate adjustments shall include a city designation, a description of the surrounding location involved (county or other defined area), and a recommended rate supported by a statement explaining the circumstances that cause the existing rate to be inadequate. The request also must contain an estimate of the annual number of trips to the location, the average duration of such trips, and the primary purpose of travel to the locations. Agencies should submit their requests to GSA no later than May 1 in order for a city to be included in the annual survey.

Dated: February 27, 1996.

Roger W. Johnson,

Administrator of General Services.
