SUPPLEMENTARY INFORMATION:

I. Background

The Employment and Training Administration requires information on the provisions of the amended Job Training Partnership Act (JTPA) section 401 regulations at 20 CFR 632.70. These provisions allow Indian and Native American JTPA grantees to seek the waiver of nonstatutory provisions of the current regulations at 20 CFR Parts 632 and 636. This general waiver request capability is already available to the Governors at 20 CFR 627.201, and to those section 401 grantees participating in the demonstration under Public Law 102-477 (Indian Employment, Training and Related Services Demonstration Act of 1992). The information to be collected is in support of any such waiver request(s) submitted by section 401 grantees pursuant to 20 CFR 632.70, and is necessary to allow DOL officials to make intelligent and informed decisions on the waiver requests received. Without such supplementary information, it would be impossible for the Department to grant any waivers to existing regulations. There are no continuing information requirements associated with this collection. Such collection is only mandated when a waiver request is submitted by a grantee, and serves no purpose other than to evaluate the merits of the waiver request.
