

Regulatory Policy Act of 1978 (PURPA), and believes that the project meets the definition under § 292.202(p) of 18 CFR for a new dam or diversion. As such, the U.S. Fish and Wildlife Service, the National Marine Fisheries Service, and the state agency exercising authority over the fish and wildlife resources of the state have mandatory conditioning authority under the procedures provided for at § 30(c) of the Federal Power Act (Act).

k. All comments on the PDEA and draft license application for the Mahoney Lake Project should be sent to the address noted above in item (f) with one copy filed with the Commission at the following address: Federal Energy Regulatory Commission, Office of the Secretary, Dockets—Room 1A, 888 First Street NE., Washington, DC 20426.

All comments must bear the heading "Preliminary Comments", "Preliminary Recommendations", "Preliminary Terms and Conditions", or "Preliminary Prescriptions". Any party interested in commenting must do so before May 30, 1996.

1. With this notice, we are initiating consultation with the State Historic Preservation Officer (SHPO), as required by § 106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

Standard Paragraphs

A5. Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

A7. Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular

application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

A9. Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

A10. Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

B. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

C. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. An additional copy must be sent to Director, Division of Project Review, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be

served upon each representative of the Applicant specified in the particular application.

C1. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

D2. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Dated: March 7, 1996, Washington, DC.

FEDERAL EMERGENCY MANAGEMENT AGENCY**Renewal of The National Fire Academy Board of Visitors**

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Notice of renewal.

SUMMARY: In accordance with the Federal Advisory Committee Act, the Director of FEMA gives notice of the renewal of the National Fire Academy Board of Visitors (Board) for a period of two years. Renewal of the Board is a matter of the public interest in connection with the performance of duties imposed on the agency by law, to provide independent advice on FEMA plans and programs.

DATES: Renewal of the Board is effective as of January 1, 1996 through December 31, 1997. Comments on renewal of the Board should be submitted on or before May 13, 1996.

ADDRESSES: Please send any comments to the Rules Docket Clerk, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., room 840, Washington, DC 20472, (facsimile) (202) 646-4536.

SUPPLEMENTARY INFORMATION: Acting under the Federal Advisory Committee Act, 5 U.S.C. App. 1, and Reorganization Plan No. 3 of 1978, the Director has determined that renewal of the National Fire Academy Board of Visitors is a matter of the public interest in connection with the performance of duties imposed on the agency by law.

The Board shall review annually the program of the National Fire Academy and make comments and recommendations to the Director, through the U.S. Fire Administrator,

regarding the operation of the Academy and any improvements therein that the Board deems appropriate. The Board shall make interim comments and recommendations to the Director whenever there is an indicated urgency to do so in fulfilling its duties.

The Board shall include in its review: an examination of Academy programs to determine whether these programs further the basic mission of the Academy; an examination of the organization of the Academy to determine whether it affords the most appropriate structure for delivering the Academy programs; an examination of the physical plant of the Academy to determine the adequacy of the facilities; and an examination of the funding levels for the Academy programs.

The Director shall select the members of the Board from the nominations of qualified persons submitted by the U.S. Fire Administrator. The Board shall be selected from among professionals in the fields of fire safety, fire prevention, fire control, research and development in fire protection, treatment and rehabilitation of fire victims, or local government services management, and from such professional organizations as will ensure a balanced representation of interest.

To ensure that the Board is objective and not influenced by special interests, members are required to file an annual Statement of Financial Interests and Affiliations and a Conflict of Interest Agreement. The members serve at the discretion of the Director with two-year renewable terms.

Dated: March 8, 1996.
 Harvey G. Ryland,
Deputy Director.
