

Therefore, the Deputy Administrator concludes that the Respondent is deemed to have waived his hearing right. After considering the investigative file, the Deputy Administrator now enters his final order in this matter without a hearing pursuant to 21 CFR 1301.54(e) and 1301.57.

The Deputy Administrator finds that on April 20, 1993, the Respondent completed a DEA Application for Registration as a practitioner. However, the DEA received a copy of a letter from the Medical Board dated March 29, 1993, indicating that the Respondent's application for a license to practice medicine and surgery in Nebraska had been denied.

The DEA does not have statutory authority under the Controlled Substances Act to register a practitioner unless that practitioner is authorized by the state in which he conducts business to dispense controlled substances. See 21 U.S.C. 802(21), 823(f) and 824(a)(3). The DEA has consistently so held. See Lawrence R. Alexander, M.D., 57 FR 22256 (1992); Bobby Watts, M.D., 53 FR 11919d (1988); Robert F. Witek, D.D.S., 52 FR 47770 (1987).

Here, it is clear that the Respondent is not currently authorized to practice medicine in the State of Nebraska. From this fact, the Deputy Administrator infers that since the Respondent is not authorized to practice medicine, he also is not authorized to handle controlled substances. Therefore, because the Respondent lacks state authority to handle controlled substances, he currently is not entitled to a DEA registration.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824, and 28 C.F.R. 0.100(b) and 0.104, hereby orders that the Respondent's application for a DEA Certificate of Registration be, and it hereby is, denied. This order is effective April 15, 1996.

Dated: March 7, 1996.
Stephen H. Greene,
Deputy Administrator.
