

grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by FES.

On March 1, 1996, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by FES should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, FES is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of FES's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is April 1, 1996.

Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. RP96-151-001]

Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

March 12, 1996.

Take notice that on March 6, 1996, Florida Gas Transmission Company (FGT) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1 the following tariff sheets to become effective April 1, 1996.

Fifth Revised Sheet No. 18
Second Revised Sheet No. 29

Second Revised Sheet No. 37
Second Revised Sheet No. 40
Sixth Revised Sheet No. 46A
Third Revised Sheet No. 62
Substitute Fifth Revised Sheet No. 205

On February 27, 1996 FGT made a filing in RP96-151-000 ("February 27 filing") to revise Section 27 of the General Terms & Conditions of FGT's tariff to provide for changes in the resolution of differences between actual and retained fuel in FGT's fuel reimbursement mechanism. In the instant filing, FGT states that it is making conforming changes to the fuel Reimbursement Charge provisions of the rate schedules under which FGT provides service. These changes to the Fuel Reimbursement Charge provisions clarify that fuel reimbursement will be as provided for in Section 27 of the General Terms and Conditions. The existing language in the Fuel Reimbursement Charge provisions of the rate schedules implies that all fuel reimbursement will be on an in-kind basis.

FGT states that its February 27 Filing changed the "true-up" portion of FGT's fuel reimbursement mechanism from an in-kind to a unit rate basis. FGT states that the instant changes were inadvertently omitted from the February 27 Filing, and believes that these conforming changes do not alter the previously filed changes to FGT's fuel reimbursement mechanism.

Additionally, FGT is filing Substitute Fifth Revised Sheet No. 205, which clarifies that the Unit Fuel Surcharge will apply to all volumes delivered under a Market Area transportation contract "as determined pursuant to Section 13 of the General Terms and Conditions of this Tariff". FGT believes that this addition clarifies that the Unit Fuel Surcharge will be applied in the same manner as usage charges under the various rate schedules which contain this same language.

FGT states that it intends for the instant filing to be treated as a supplement and amendment to the February 27 Filing.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC, 20426, in accordance with Section protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are

available for public inspection in the Public Reference Room.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. CP96-221-000]

Florida Gas Transmission Company; Notice of Request Under Blanket Authorization

March 12, 1996.

Take notice that on February 29, 1996 and amended on March 8, 1996, Florida Gas Transmission Company (FGT), 1400 Smith Street, P.O. Box 1188, Houston, Texas 77251-1188, filed in Docket No. CP96-221-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon by sale certain facilities located in Dade County, Florida under FGT's blanket certificate issues in Docket No. CP82-553-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

FGT proposes to abandon and sell to City Gas Company of Florida, a division of NUI Corporation (City Gas): (1) the 4-inch Homestead Lateral which is approximately 16.9 miles long and extends from FGT's 18-inch mainline and its 24-inch Turkey Point Lateral to the inlet side of the Homestead Meter Station, and (2) the Cutler Ridge Meter Station, except for the electronic flow measurement equipment, which is attached to the 4-inch Homestead Lateral and serves City Gas. City Gas would use the subject facilities as part of its distribution system to serve its industrial, commercial and residential customers. FGT lists the sale price of the facilities proposed to be abandoned as \$450,000.

FGT states that an existing 6-inch lateral line which partially loops the 4-inch Homestead Lateral currently serves the City of Homestead and has sufficient capacity to meet FGT's contractual obligations to the City of Homestead. Therefore FGT maintains that the proposed abandonment and sale of the 4-inch Homestead Lateral will not result in any disruption or abandonment of service to the City of Homestead, nor will it disadvantage any of FGT's customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the
