

exhibits received in evidence, and other available information. The Committee recommended to the Secretary that the application be granted and the Secretary approved the application on February 26, 1996.

Before a new market can be officially designated, a referendum must be held to determine that a two-thirds majority of producers favor the designation. It is hereby determined that the referendum will be held by mail during the period of April 15–26, 1996. The purpose of the referendum is to determine whether farmers who sold their tobacco on the designated markets at Boone, West Jefferson, and Mountain City are in favor of, or opposed to, the designation of the consolidated market for the 1996 and succeeding crop years. Accordingly, if a two-thirds majority of those tobacco producers voting in the referendum favor this consolidation, a new market will be designated as and will be called Boone-West Jefferson-Mountain City.

To be eligible to vote in the referendum a tobacco producer must have sold burley tobacco on either the Boone or West Jefferson, North Carolina, or Mountain City, Tennessee, auction markets during the 1995 marketing season. Any farmer who believes he or she is eligible to vote in the referendum but has not received a mail ballot by April 15, 1996, should immediately contact Rebecca Fial at (202) 260-0151.

The referendum will be held in accordance with the provisions for referenda of the Tobacco Inspection Act, as amended (7 U.S.C. 511d) and the regulations for such referendum set forth in 7 CFR 29.74.

Dated: March 11, 1996.

SUMMARY: This notice announces that a referendum will be conducted by mail during the period of April 15–19, 1996, for producers of flue-cured tobacco who sell their tobacco at auction in Sanford and Carthage-Aberdeen, North Carolina, to determine producer approval of the designation of the Sanford and Carthage-Aberdeen tobacco markets as one consolidated auction market.

SUPPLEMENTARY INFORMATION: Notice is hereby given of a mail referendum on the designation of a consolidated auction market at Sanford and Carthage-Aberdeen, North Carolina. Sanford, North Carolina, was designated on June 26, 1942, and Carthage-Aberdeen, North Carolina, on August 30, 1988, (7 CFR 29.8001) as flue-cured tobacco auction markets under the Tobacco Inspection Act (7 U.S.C. 511 et seq.). Under this Act both have been receiving mandatory grading services from USDA.

On September 12, 1995, an application was made to the Secretary of Agriculture to consolidate the designated markets of Sanford and Carthage-Aberdeen, North Carolina. The application, filed by Jeffrey S. Smith, a warehouse operator in Sanford, was made pursuant to the regulations promulgated under the Tobacco Inspection Act (7 CFR Part 29.1–29.3). On November 7, 1995, a public hearing was held in Sanford, North Carolina, pursuant to the regulations. A Review Committee, established pursuant to § 29.3(h) of the regulations (7 CFR 29.3(h)), has reviewed and considered the application, the testimony presented at the hearing, the exhibits received in evidence, and other available information. The Committee recommended to the Secretary that the application be granted and the Secretary approved the application on February 26, 1996.

Special Supplemental Nutrition Program for Women, Infants and Children (WIC): WIC Cereal Sugar Limit

AGENCY: Food and Consumer Service, USDA.

ACTION: Notice of intent to propose rulemaking and solicitation of comments.

SUMMARY: The Department is considering revising the Federal regulations that limit the amount of sugar in WIC-eligible adult cereals. Currently, Federal regulations specify that all adult cereals (hot or cold) eligible for use in WIC food packages for women and children must contain no more than 21.2 grams of sucrose and other sugars per 100 grams of dry cereal (i.e., 6 grams of sugar per dry ounce of cereal). The majority of recent studies fail to document an association between sugar consumption and an increased risk of developing chronic diseases. The Department is therefore reviewing whether a revision in the Federal limit on the sugar content for WIC-eligible adult cereals is warranted. Consequently, the Department is soliciting public comments on the pros and cons of revising the current requirement, and is inviting suggestions on how the sugar limit should be changed, if a change is deemed appropriate.

DATES: To be assured of consideration, comments must be received on or before June 17, 1996.

ADDRESSES: Comments should be sent to Stanley C. Garnett, Director, Supplemental Food Programs Division, Food and Consumer Service, USDA, 3101 Park Center Drive, Room 540,
