

ICGTI is using the World Wide Web (WWW) on the Internet as its primary means to accomplish this technology and information transfer. ICGTI has developed and is operating the GTI Online. GTI Online will provide access to detailed technical abstracts and data on natural gas-related technologies. GTI Online is located at URL address: <http://www.gasinfo.dk/gasinfo/>.

Companies interested in being listed in the Gas Technology Marketplace on GTI Online should prepare a one to ten page summary about their company and its gas-related technologies. The text should be on diskette in Microsoft Word or TXT format. Company logo and graphics, including diagrams and pictures related to the gas technologies, should be included on the diskette in GIF format if possible, but are acceptable in paper copy. Please clearly specify each graphic with corresponding text. Please also include information related to the company's World Wide Web address if applicable.

DOE Policy Overview: This initiative is consistent with the Department's efforts to encourage exports for the US energy industry.
