Immigration and Naturalization Service

[INS No. 1749-96]

RIN 1115-AE28

Renewal of Immigration and Naturalization Service Citizens' Advisory Panel

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Notice.

SUMMARY: In accordance with the provisions of the Federal Advisory Committee Act, 5 U.S.C. app. 2, Sections 1-14, and Title 41 CFR sections 101-6.1001-6.1035, the Commissioner, Immigration and Naturalization Service (INS), with the concurrence of the Attorney General, is renewing, for a 2-year period, the Citizens' Advisory Panel (CAP) for the purpose of providing recommendations to the Attorney General on ways to reduce the number of complaints of abuse made against employees of the INS and, most importantly, to minimize or eliminate the causes for those complaints. The CAP is seeking to address the complaints of impropriety by making recommendations on community policing and training initiatives for law enforcement personnel in order to strengthen the relationship between the INS and all members of the community.

The CAP is also reviewing the systems and procedures in the INS for responding to specific complaints alleging that an INS employee exercised his/her authority in an improper manner. The CAP will receive reports and assist in the coordination of local citizens' advisory committees and panels developed by Border Patrol Chief Patrol Agents and/or Immigration District Directors.

A notice was published in the Federal Register which established the CAP (February 11, 1994, at 59 FR 6658) in response to allegations of human rights abuses by the Border Patrol, especially along the Southwest border, and to concerns expressed by private citizens and organizations over the lack of responsive, expeditious, and objective complaint process. Continuation of this CAP will facilitate resolution of these issues, and assist the INS in furtherance
