

grid which collects data on full and part-time employees, collects hiring and promotion data for senior upper-level job categories, and a list of job titles within each of the 15 job categories. MVPD units may submit computer-generated lists of job titles which are currently maintained for internal recordkeeping purposes. Every MVPD unit with 6 or more full-time employees must file annually a full FCC 395-M. However, MVPD units with 5 or fewer full-time employees must only file Sections I, II and IX of the FCC 395-M and thereafter need not file again unless its employment increases. In addition, MVPD units with 6 or more full-time employees will file a Supplemental Investigation Sheet once every 5 years. The data is used by FCC staff to monitor a MVPD unit's efforts to afford equal employment opportunity in employment. The data is also used to assess industry trends.
