BILLING CODE 4210-29-M

incidental take of golden-cheeked warblers, black-capped vireos, and six karst invertebrates for land development on private lands in Travis County, Texas.

SUMMARY: The City of Austin and Travis County have applied for a permit from the U.S. Fish and Wildlife Service to allow for incidental take of Federally listed endangered species black-capped vireo, golden-cheeked warbler, and six karst invertebrates under section (10)(a)(1)(B) of the Endangered Species Act. This will be incidental to otherwise lawful activities that would occur as a result of clearing of vegetation and grading or other earth-moving activities necessary for residential, commercial, and industrial construction and infrastructure projects within Travis County, Texas.

The proposed permit will allow approved incidental take outside of proposed preserve lands within the proposed permit boundaries. In general, this area includes all of the lands within Travis County, excluding that portion of Balcones Canyonlands National Wildlife Refuge that falls within Travis County, and the city limits and planning jurisdictions of municipalities not participating in the Balcones Canyonlands Conservation Plan. The permit period is 30 years. Potential development for this time period is estimated to affect between 30,000 and 60,000 acres within the permit area. Of the approximately 2,000 acres of known occupied black-capped vireo habitat located within Travis County, 933 acres
