

including whether the information will have practical utility;

(2) evaluate the accuracy of the agencies/components estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) enhance the quality, utility, and clarity of the information to be collected; and

(4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

The proposed collection is listed below:

(1) *Type of information collection.* Extension of a currently approved collection.

(2) *The title of the form/collection.* Department of Justice Federal Coal Lease Review Information.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection.* Forms: ATR-139, ATR-140. Antitrust Division, United States Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract.* Primary: Business or other for-profit. Other: None.

The Department of Justice evaluates the competitive impact of issuances, transfers and exchanges of Federal coal leases. These forms seek information regarding a prospective coal lessee's coal reserves and the reserves subject to the federal lease. The Department uses this information to determine whether the lease transfer is consistent with the Antitrust laws.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond.* 20 responses per year at 2 hours per response.

(6) *An estimate of the total public burden (in hours) associated with the collection.* 40 annual burden hours.

Public comment on this proposed information collection is strongly encouraged.

Dated: March 20, 1996.

Robert B. Briggs,
Department Clearance Officer, United States Department of Justice.
