

KO states that the initial tariff filing reflects the required modifications to the general terms and conditions and its cost of service in compliance with the Commission's February 5, 1996, order granting KO its certificate in Docket No. CP95-149-000, 74 FERC ¶ 61,101.

Any person desiring to be heard or to make a protest the subject filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with the requirements of the Commission's Rules of Practice and Procedures, 18 CFR 385.214 or 385.211 and the Regulation under the Natural Gas Act, 18 CFR 157.10. All such motions and protests should be filed on or before April 2, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. Copies of this filing are on file with the Commission and are available for public inspection. Lois D. Cashell,
Secretary.

Southern Natural Gas Co.; Notice of Proposed Changes to FERC Gas Tariff

March 22, 1996.

Take notice that on March 19, 1996, Southern Natural Gas Company (Southern) tendered for filing as part of its FERC Gas Tariff, Seventh Revised Volume No. 1, the following tariff sheets to become effective April 1, 1996:

First Revised Sheet No. 142
Original Sheet No. 142a

Southern states that the purpose of this filing is to implement two Tariff revisions proposed by Southern in its Stipulation and Agreement filed on March 15, 1996, in Docket Nos. RP89-224, *et al.*, and approved by the Commission in its order issued on September 29, 1995.

Southern states that the Tariff provisions proposed to be implemented in this filing are (1) to establish a two-day trading period for imbalances after the end of each month, and (2) to allow storage customers to use their gas in storage or firm storage capacity to remedy all or part of their monthly imbalances. Although Southern is not required to implement these provisions

until the first of the month after the Commission issues an order on rehearing in Docket Nos. RP89-224, *et al.*, it prefers to place these provisions into effect April 1, 1996, so that such elections are available for application against March 1996 imbalances. Since March 1996 imbalances are subject to a new cash-out mechanism approved in Docket No. RP96-132, it is preferable from a programming standpoint to place the revisions affecting the cash-out mechanism into effect at the same time. Since no party protested these provisions of the Stipulation and Agreement, Southern submits that the Commission should grant it all waivers necessary to place these provisions into effect April 1, 1996.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedures (18 CFR Sections 385.211 and 385.214). All such motions and protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
