SUPPLEMENTARY INFORMATION: Section 9 of the Act prohibits the "taking" of endangered species such as the golden-cheeked warbler. However, the Service, under limited circumstances, may issue permits to take endangered wildlife species when such taking is incidental to, and not the purpose of, otherwise lawful activities. Regulations governing permits for endangered species are at 50 CFR 17.22.

Applicant

Jalil and Judy Mirzadegan plan to construct three single family residences, one each on Lots 54, 55 and 83, and a driveway on Lot 82, located on Arkansas Bend Peninsula, north of Fawn Ridge Circle, Austin, Travis County, Texas. This action will eliminate less than 1.5 acres of golden-cheeked warbler habitat and indirectly impact less than 1.5 additional acres of golden-cheeked warbler habitat per residence on Lots 54, 55, 82 and 83. The applicant proposes to compensate for this habitat loss by placing \$1,500 for each residence to be constructed into the City of Austin Balcones Canyonlands Conservation Fund to acquire/manage lands for conservation of the golden-cheeked warbler.

Alternatives to this action were rejected because selling the subject property with federally listed species present, or not developing the property is not economically feasible.

Regional Director, Region 2, Albuquerque, New Mexico.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-372]

Certain Neodymium-Iron-Boron Magnets, Magnet Alloys, and Articles Containing Same; Notice of Issuance of General Exclusion Order and Cease and Desist Order and Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has issued a general exclusion order and a cease and desist order to domestic respondent Hennaco Excell, Inc. in the above-captioned

investigation and terminated the investigation.

FOR FURTHER INFORMATION CONTACT: Lyle B. Vander Schaaf, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3107.

SUPPLEMENTARY INFORMATION: This investigation was initiated by the Commission on March 3, 1995, based on a complaint filed by Crucible Materials Corp. On December 11, 1995, the presiding administrative law judge (ALJ) issued his final initial determination (ID) on the merits in the investigation. The ALJ found a violation of section 337 of the Tariff Act of 1930, as amended, based on his findings that (1) claims 1-3 of the patent in controversy, U.S. Letters Patent 4,588,439 (the '439 patent), are valid and enforceable; (2) there is a domestic industry manufacturing and selling products covered by the patent claims in issue; (3) respondents Novel Hightech, Ltd., Hennaco Industrial Enterprises, Inc., Hennaco Excell, Inc., Sino American Products, Ltd., and Injohnson Precision Industrial Co. infringe claims 1-3 of the '439 patent. The ALJ specifically found that the Novel, Injohnson, Sino American, and Hennaco respondents literally infringe each of the claims in issue and found that the Hennaco respondents and respondent Injohnson infringe the claims in issue under the doctrine of equivalents.

On February 14, 1996, the Commission issued notice of its determination not to review the final ID, and requested written submissions on the issues of remedy, the public interest, and bonding. 61 FR 6863 (Feb. 22, 1996). Submissions were received from complainant Crucible, the Commission investigative attorney, and respondents San Huan New Materials, Ningbo Konit, and Tridus International. Complainant and the Commission investigative attorney also filed reply submissions on those issues.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission made its determinations on the issues of remedy, the public interest, and bonding. The Commission determined that the appropriate form of relief is a general exclusion order prohibiting the unlicensed importation of infringing neodymium-iron-boron magnets and magnet alloys. In addition, the Commission issued a cease and desist order directed to domestic respondent Hennaco Excell, Inc. requiring that firm to cease and desist from the following activities in the

United States: importing, selling, marketing, distributing, offering for sale, or otherwise transferring (except for exportation) in the United States infringing imported neodymium-iron-boron magnets or magnet alloys.

The Commission also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) and (f) do not preclude the issuance of the general exclusion order and cease and desist order, and that the bond during the Presidential review period shall be in the amount of 100 percent of the entered value of the articles in question.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and section 210.50 of the Commission's Rules of Practice and Procedure (19 CFR § 210.50).

Copies of the Commission's remedial orders, the Commission opinion in support thereof, and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

Issued: March 29, 1996.

By order of the Commission.

Donna R. Koehnke,
Secretary.
