Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Title: Early Head Start Evaluation.

OMB No: New Request.

Description: The Head Start

Reauthorization Act of 1994 established
a special initiative creating funding for
services for families with infants and
toddlers. In response the Administration
on Children, Youth and Families
(ACYF) designed the Early Head Start
(EHS) program. In September, 1995,
ACYF awarded grants to 68 local
programs to serve families with infants
and toddlers.

EHS programs are designed to
produce outcomes in four domains: (1)
child development, (2) family
development, (3) staff development and
(4) community development. The
Reauthorization required that this new
initiative be evaluated. To study the
effect of the initiative ACYF awarded a
contract through a competitive
procurement to Mathematica Policy
Research, Inc. (MPR) with a subcontract
to Columbia University Center for
Young Children and Families.

Evaluation will be carried out from
October 1, 1995, through September 30,
2000. Data collection activities that are
the subject of this Federal Register
notice are intended for the first phase of
the EHS evaluation.

The sample for the child and family
assessments will be approximately
