

that impact the longshoring and shipyard communities. The specific objectives of this committee are to make recommendations on issues related to: (1) Reducing injuries and illnesses in the maritime industries, (2) expanding OSHA's outreach and training programs through the use of innovative partnerships, and (3) expediting the development and promulgation of OSHA standards.

Committee Members

MACOSH is composed of approximately 16 members who have been selected to represent the divergent interests of the maritime community. The makeup of the membership complies with Section 7(b) of the OSH Act which requires the following: at least one member who is a designee of the Secretary of Health and Human Services; at least one designee of a state safety and health agency; and equal numbers of representatives of employees and employers, respectively. Other members have been selected based on their knowledge and experience and include representatives from professional and other governmental organizations with specific maritime responsibilities. MACOSH is a comprehensive representation of the maritime community.

Appointees to the Committee include representatives from labor, industry, public interests and government agencies. The appointees represent groups interested in or affected by the outcome of rulemaking. The current members are:
