

will float and camp along the San Juan River; visiting the Butler Wash/River House ruins and other river sites before leaving the river at Mexican Hat during the morning of May 10. From there, the Council will continue their field tour, stopping at Kane Gulch and Comb's Wash before culminating the tour/meeting at Monticello at approximately 5:00 p.m. on May 10. RAC meetings are open to the public; however, transportation, meals, and overnight accommodations are the responsibility of the participating public. Opportunities for members of the public to address the Council will take place at the close of the session on May 10. Any member of the public interested in attending the land-based portions of the field tour or desiring an opportunity to address the Council should contact Sherry Foot, Special Programs Coordinator, (801) 539-4195, by May 3, 1996.

The next Utah RAC meeting is scheduled for June 13-14, 1996, at the Utah State Office of the Bureau of Land Management, 324 South State Street, Salt Lake City, Utah. The meeting will be held in Room 302, beginning at 9:00 a.m. on June 13 and will conclude the afternoon of June 14. The Council will discuss the draft of the Standards and Guidelines for grazing management in Utah. Opportunities for the public to address the Council will take place at the conclusion of the June 14 meeting.

[AK-020-1430-01; F-91549]

Notice of Realty Action: Recreation and Public Purposes (R&PP) Act Classification; Alaska

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The following public lands near Fairbanks, Alaska, have been examined and found suitable for classification for lease or conveyance to the Fairbanks North Star Borough under provisions of the Recreation and Public

Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The Fairbanks North Star Borough proposes to use the lands for a solid waste transfer station.

Fairbanks Meridian

U.S. Survey 11793

Within sec. 16, T.1S, R.1E

Containing 10.7 acres more or less.

The lands are not needed for Federal purposes. Conveyance is consistent with current BLM land use planning and would be in the public interest.

The patent, when issued, will be subject to: the provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior; rights-of-way for ditches and canals constructed by the authority of the United States; reservations of all minerals to the United States, together with the right to prospect for, mine, and remove the minerals; and, those rights for electrical power purposes granted to Golden Valley Electric Association under BLM case file F-86999.

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Northern District Office, 1150 University Avenue, Fairbanks, Alaska.

Upon publication of this notice in the Federal Register, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the Federal Register, interested persons may submit comments regarding the proposed conveyance or classification of the lands to the District Manager, Northern District Office, 1150 University Avenue, Fairbanks, Alaska 99709-3899.

Classification Comments: Interested parties may submit comments involving the suitability of the land for a solid waste transfer station. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not

directly related to the suitability of the land for a solid waste transfer station.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the Federal Register.

Dated: April 2, 1996.

David L. Mobraten,

Acting District Manager.

Realty Action; Recreation and Public Purposes (R&PP) Act Classification; Garfield County, Colorado Oil Shale Withdrawal; Partial Revocation

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: In response to an application from Garfield County, Colorado, the following public lands have been examined and found suitable for classification for conveyance to Garfield County, under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The lands currently leased to Garfield County for landfill purposes (R&PP lease COC-35148) would continue to be used for landfill purposes. Additional contiguous land (a maximum of 154 acres) would also be used for landfill purposes.

Sixth Principal Meridian

T. 6S., R. 94W.,

Containing 394.64 acres, more or less.

Pending a cadastral survey, certain lands within the above description will be deleted to avoid conflicts with other resources. The lands are not needed for Federal purposes. Conveyance is consistent with current BLM land use planning and would be in the public interest. For those lands currently leased to Garfield County for landfill purposes that are not conveyed to Garfield County, the R&PP lease and lease classification will be terminated.

The lands are currently encumbered by Executive Order 5327 and Public Land Order 4522, which withdrew the lands for oil shale development. These orders will be partially revoked as to the lands proposed for sale.
