

Second Revised Sheet No. 354
First Revised Sheet No. 354A

CNG requests an effective date of May 1, 1996, for revised Sheet No. 354, and an effective date of January 1, 1996 for revised Sheets Nos. 353, 353A, and 354A.

CNG states that the purpose of this filing is to clarify the procedure for tracking and retention of fuel. The revised tariff sheets clarify that CNG will track and recover costs associated with the purchase of electricity that is used to fuel compressors in the same manner as it recovers costs associated with natural gas as a compressor fuel. According to CNG, the revised sheets correct the Fuel Adjustment Provision (FAP) of the General Terms and Conditions of CNG's tariff, to restore certain portions of the definition section that were inadvertently omitted from CNG's compliance filings in Docket No. RP94-96, and to omit certain paragraphs that are redundant.

CNG states that copies of this letter of transmittal and enclosures are being mailed to CNG's customers and interested state commissions.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC, 20426, in accordance with 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
