

**SUPPLEMENTARY INFORMATION:**

Authority: Executive Order 11651 of March 3, 1972, as amended; section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

In accordance with the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing (ATC), the current limits are being amended for certain textile products, produced or manufactured in Qatar and exported during the period beginning on January 1, 1996 and extending through December 31, 1996. In accordance with the ATC, these amended limits are based on the limits notified to the Textiles Monitoring Body. These limits are amended because Qatar is now a member of the World Trade Organization (WTO).

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to amend the current limits for the period January 1, 1996 through December 31, 1996.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see Federal Register notice 60 FR 65299, published on December 19, 1995). Also see 60 FR 66264, published on December 21, 1995.

The letter to the Commissioner of Customs and the actions taken pursuant to it are not designed to implement all of the provisions of the Uruguay Round Agreements Act and the ATC, but are designed to assist only in the implementation of certain of their provisions.

Troy H. Cribb,

*Chairman, Committee for the Implementation of Textile Agreements.*

Committee for the Implementation of Textile Agreements

April 5, 1996.

Commissioner of Customs,  
*Department of the Treasury, Washington, DC 20229.*

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on December 15, 1995, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton and man-made fiber textile products, produced or manufactured in Qatar and exported during the twelve-month period beginning on January 1, 1996 and extending through December 31, 1996.

Effective on April 12, 1996, you are directed, in accordance with the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing (ATC), to increase the limits for the following categories:

Category	Amended twelve-month limit <sup>1</sup>
340/640 .....	370,338 dozen.
341/641 .....	170,925 dozen.
347/348 .....	421,615 dozen.

<sup>1</sup>The limits have not been adjusted to account for any imports exported after December 31, 1995.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,

*Chairman, Committee for the Implementation of Textile Agreements.*

#### Notice of Availability; Draft Environmental Impact Statement for the Construction and Operation of a Golf Course at Luke Air Force Base

A Draft Environmental Impact Statement (DEIS) had been prepared by Luke Air Force Base for the proposed construction and operation of a golf course. The purpose of the DEIS is to comply with the National Policy Act to analyze the potential environmental consequences of three alternatives: (1) the no-action alternative, in which the land would serve as a detention basin without a golf course; (2) construction of an 18-hole golf course in a detention basin; and (3) construction of a 9-hole golf course in a detention basin.

The public is invited to attend a hearing on Thursday, May 16, 1996 beginning at 7:30 p.m. at the Litchfield Park Recreation Center, located at 100 South Old Litchfield Road. The purpose of this hearing will be to inform the public of the DEIS findings and to solicit comments on the document.
